CCS595: MONTHLY FINANCIAL REPORT – JANUARY 2024

Proponent / Owner	: City of Albany
Attachments	: Monthly Financial Report – January 2024
Report Prepared By	: Manager Finance (S van Nierop)
Authorising Officer:	: Executive Director Corporate & Commercial Services (M Gilfellon)

STRATEGIC IMPLICATIONS

1. This item relates to the following elements of the City of Albany Strategic Community Plan or Corporate Business Plan informing plans or strategies:
 - **Pillar:** Leadership.
 - **Outcome:** Strong workplace culture and performance

IN BRIEF

- Under the Local Government Financial Management Regulations, a local government is to prepare monthly a statement of financial activity that is presented to Council.
- Under changes to the Regulations in June 2023, a local government is now required to also prepare monthly a statement of financial position that is presented to Council.
- The City of Albany's Monthly Financial Report (inclusive of the statement of financial activity and the statement of financial position) for the period ending 31 January 2024 has been prepared and is attached.
- In addition, the City provides Council with a monthly investment summary to ensure the investment portfolio complies with the City's Investment of Surplus Funds Policy.
- The financial information included within the Monthly Financial Report for the period ended 31 January 2024 is preliminary and has not yet been audited.

RECOMMENDATION

CCS607: AUTHORISING OFFICER RECOMMENDATION

THAT the Monthly Financial Report for the period ending 31 January 2024 be RECEIVED.

DISCUSSION

2. To fulfil statutory reporting obligations, the Monthly Financial Report prepared provides a snapshot of the City's year to date financial performance. The report provides the:
 - (a) Statement of Financial Activity by nature classifications (satisfying Regulation 34 of the Local Government (Financial Management) Regulations 1996);
 - (b) Statement of Financial Position (satisfying Regulation 35 of the Local Government (Financial Management) Regulations 1996);
 - (c) Basis of Preparation
 - (d) Explanation of material variances to year-to-date budget;
 - (e) Net Current Asset & Funding Position;
 - (f) Investment Portfolio Snapshot;
 - (g) Receivables; and
 - (h) Capital Acquisitions.
3. Additionally, each year a local government is to adopt a percentage or value to be used in the Statement of Financial Activity for reporting material variances. Under Council item CCS545, Council approved that a variance between actual and budget-to-date of greater

than \$100,000 is a material variance for reporting purposes in the Statement of Financial Activity for 2023/2024.

4. The Statement of Financial Activity and Statement of Financial Position may be subject to year-end adjustments and have not been audited.
5. It is noted that rounding errors may occur when whole numbers are used, as they are in the reports that follow. The 'errors' may be \$1 or \$2 when adding sets of numbers. This does not mean that the underlying figures are incorrect."

STATUTORY IMPLICATIONS

6. The Local Government (Financial Management) Regulations 1996 were amended (SL2023/106) and published on 30 June 2023. The changes, effective from 1 July 2023, have an impact on the reporting of the financial activity statement required each month (Section 34). - (b) budget estimates to the end of the relevant month; and
- (c) actual amounts of expenditure, revenue and income to the end of the relevant month; and
- (d) material variances between the comparable amounts referred to in paragraphs (b) and (c); and
- (e) the net current assets at the end of the relevant month and a note containing a summary explaining the composition of the net current assets.

34(1B) The detail included under subregulation (1)(e) must be structured in the same way as the detail included in the annual budget under regulation 31(1) and (3)(a).

34(1C) Any information relating to exclusions from the calculation of a budget deficiency that is included as part of the budget estimates referred to in subregulation (1)(a) or (b) must be structured in the same way as the corresponding information included in the annual budget.

34(2) Each statement of financial activity is to be accompanied by documents containing-

- (b) an explanation of each of the material variances referred to in subregulation (1)(d); and
- (c) such other supporting information as is considered relevant by the local government.

34(3) The information in a statement of financial activity may be shown according to nature classification.

34(4) A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be —

- (a) presented at an ordinary meeting of the council within 2 months after the end of the relevant month; and
- (b) recorded in the minutes of the meeting at which it is presented.

34(5) Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.

7. An amendment to the *Local Government (Financial Management) Regulations 1996*, effective from 1 August 2023, is the addition of Regulation 35, with Local Governments now required to report a financial position statement each month. The additional Regulation 35 is as follows:
- 35(1) A local government must prepare each month a statement of financial position showing the financial position of the local government as at the last day of the previous month (the previous month) and —

- 35(2) A statement of financial position must be —

Land Description	: Crown Reserve 42401, Lot 1411 on Deposited Plan 26101, the subject of Certificate of Title LR3123 Folio 712, Albany
Proponent	: Regional Development Australia – Great Southern WA Inc.
Owner	: Crown (City of Albany under Management Order)
Report Prepared By	: Team Leader Property & Leasing (T Catherall)
Authorising Officer:	: Executive Director Corporate & Commercial Services (M Gilfellon)

STRATEGIC IMPLICATIONS

1. This item relates to the following elements of the City of Albany Strategic Community Plan 2032:
 - **Pillar:** Prosperity.
 - **Outcomes:** A strong, diverse and resilient economy with work opportunities for everyone.

Maps and Diagrams:

In Brief:

- Council is requested to consider two new leases to Regional Development Australia Great Southern WA Inc. (RDA) over the former Albany Co-operative Society Building (Co-op building) located within Crown Reserve 42401, Frederick Street.
- These leases will allow the continued use of the property as a Regional University Centre (RUC).
- Currently RDA holds two leases over this property. One lease for the ground floor and another for the first floor, due to expire on 22 April 2024.
- In October 2023, RDA formally requested the renewal of both leases on similar terms to support the ongoing use of the property as an RUC.
- It is recommended that the proposed new leases be approved.

RECOMMENDATION

CCS611: AUTHORISING OFFICER RECOMMENDATION

THAT Council APPROVES the two new leases to Regional Development Australia – Great Southern WA Inc. over Crown Reserve 42401, 46 Frederick Street, subject to the terms and conditions outlined in section 13 of this report.

BACKGROUND

2. The Co-op building is at 46 Frederick Street, Albany situated on Crown Reserve 42401 and holds significance on various heritage registers.
3. Extensive renovations were carried out in 2016 to restore the building’s functionality.
4. Following an Expression of Interest process in 2017, Council approved a new lease and licence to RDA for an initial term of 3 years with an option for an additional 3 years.
5. In August 2020, RDA successfully secured Commonwealth funding to establish a RUC in Albany. RDA proposed utilising the ground floor of the Co-Op Building for this purpose.
6. Originally, RDA’s initial lease term was due to expire April 2021. RDA expressed intent to exercise the option for an additional 3-year term, involving changes to remove the licence over the ground floor and facilitate a new lease to establish the Albany RUC.
7. In response Council at its meeting in October 2020, approved a variation to RDA’s existing lease and granted a new lease for the ground floor to establish the RUC.
8. The new ground floor lease was approved at a peppercorn rent to support the Albany RUC.
9. Both leases (ground floor and first floor) are due to expire on 22 April 2024.

DISCUSSION

10. In October 2023, RDA requested to renew their two leases to accommodate the continued use of the RUC. The RUC recently expanded to the first floor, in addition to the ground floor, due to an increase in students using the centre.
11. RDA has requested to maintain the current split rent arrangement, where the first floor has a market valuation rent and the ground floor maintains a peppercorn rent.
12. Recognising RDA’s investment and commitment in advancing tertiary education in Albany and surrounding region, the City expressed preliminary support for renewing and maintaining the existing rent arrangement, pending Council approval.
13. The table below summarises the key terms of the proposed leases:

16. Section 30 of the *Local Government (Functions and General) Regulations 1996* outlines exemptions Section 3.58. These exemptions include disposal to organisations with charitable, benevolent, religious, cultural, educational, recreational, sporting or similar objectives.
17. Based on above criteria, the proposed lease falls under exemptions and is considered exempt from public notice requirements of 3.58.

STATUTORY IMPLICATIONS

18. Section 3.58 of the *Local Government Act 1995* allows for the disposal of property, including leased or licensed land and buildings.
19. Section 18 of the *Land Administration Act 1997* provides that individuals cannot assign, sell, transfer or otherwise deal with interests in Crown land, create, or grant an interest in Crown land without prior written approval from the Minister for Lands.
20. The proposed leases align with the requirements governing the disposal of property and dealings with Crown land.

POLICY IMPLICATIONS

21. The City's Property Management (Leases and Licences) Policy aims to support the equitable access and effective management of City owned and managed properties in line with statutory procedures.
22. The Policy provides that commercial lease rents should be determined by market valuation.
23. RDA has proposed to continue paying a market rent for the first floor and a peppercorn rent for the ground floor as per the current arrangement. Council's support for this request is sought considering the broader community benefit associated with the RUC.
24. All other terms of the lease agreements will be in line with the policy.

RISK IDENTIFICATION & MITIGATION

25. The risk identification and categorisation relies on the City's Enterprise Risk and Opportunity Management Framework.
