

PUBLIC NOTICE

In accordance with clause 1.6(c) of the *City of Albany Waste Local Law 2017* (As Amended) public notice is given to advise that the following determinations remain in force:

**Local Government Act 1995
Waste Avoidance and Resource Recovery Act 2007**

CITY OF ALBANY
WASTE LOCAL LAW 2017

DETERMINATIONS

Determination 1: Verge Collection for Commercial Purpose

Resolution DIS274:

Clause 2.10 (2) of the City of Albany Waste Local Law 2017 is suspended to allow for the lawful collection of waste deposited on the verge for commercial purposes.

The removal of the waste must be conducted in accordance with clause 2.10(3), which states in part:

“a person must not disassemble or tamper with any waste deposited on a verge for a verge waste collection so as to increase the risk of harm to any person.”

Determination 2: Kerbside Bin Lid Colour Coding

Resolution DIS274:

It is the property owner's responsibility:

- (a) to provide and maintain kerbside bins for their property.
- (b) to ensure the kerbside bin lids are colour coded in accordance with Australian Standard 4123.7–2006 Mobile Waste Containers—Colours, markings and designation requirements (Australian Standard) as follows:
 - General Waste: 140L capacity, dark green or black base with a red lid.
 - Recycling: 240L capacity, green base with a yellow lid.
 - Organics (FOGO): 240L capacity, dark green or black base with a lime-green lid.

It is the residents (owner or occupier) responsibility to make their bin available and allow the City to provide or upgrade their bin to ensure they have a LG approved receptacle.

Note that under Delegated Authority, City of Albany Authorised Persons are authorised to advise residents:

- The consequence of residents (owner or occupier) not making their bin available for upgrade, may result in their receptacle (bin) not being emptied by the City's Waste Contractor; and
- An Authorised Person may determine that if efforts to facilitate compliance are not met, the City's Waste Contractor may be directed to not empty non-compliant receptacles (bins).
