

## Civic Affiliations Policy

### Objective

To guide elected members, staff and the community on the establishment and operation of civic affiliations such as sister cities and friendship agreements.

### Policy Statements

Council desires to maintain a small number of active civic relationships based upon the benefits that may accrue, including trade, tourism, and cultural, educational, and sporting activities.

Council considers that the abovementioned benefits can principally be achieved by facilitating:

- Trade, cultural, educational, tourism and sporting exchanges; and
- Periodic official visits.

**Level of Council Involvement:** Council will foster its affiliations in the following ways:

- Subject to prior Council approval, one visit to each endorsed affiliate in every four-year Mayoral term provided that the relationship is active and reciprocal.
- The composition of the delegation is subject to Council approval upon recommendation of the Mayor; and it will be led by the Mayor.
- Partners of delegates must travel at their own expense.
- Subject to CEO approval and sufficient provision in the budget, visiting officials of affiliated cities will be afforded reciprocal hospitality including accommodation, civic events and receptions and district tours and visits.

### Criteria for the Establishment of new Civic

- Sporting links between the two countries; preference being given to cities in countries where Australia has existing sporting links through national sporting federations.
- Tourism links between the two countries; preference being given to cities in countries who are major sources of visitors to Australia or who provide a potential market for local tourism operators.
