

Sponsorship Policy & Guideline

Objective

The purpose of the Sponsorship Policy is to establish principles for sponsorship agreements entered into between the City of Albany (the City) and other parties. The policy also provides guidelines for how the City will go about seeking sponsorship.

Sponsorship is the contribution of financial and/or “in kind” support that the City receives or provides for the purpose of, partnering in the provision of community infrastructure, a service or program, event or activity that may contribute to the economic, social, sporting, environmental or cultural development of the City.

Sponsorships are undertaken or entered into, in order to help achieve business or community objectives.

Policy Statements

Principles:

Council acknowledges that sponsorship can provide significant benefits to the City of Albany and the community, and will consider sponsorship opportunities where the following principles apply:

- Any incidental expenses created by the sponsorship will be part of the first consideration.
- A sponsorship agreement outlining the full terms and conditions of the agreement will be recorded in writing and signed by both parties.
- All sponsorship arrangements will be described in the annual report in a manner commensurate with the significance of the sponsorship.
- Council invites and seeks sponsorship for selected City of Albany projects, events, services or activities.
- Council is approached for sponsorship of projects, events, services or activities.
- Council reserves the right to enter into exclusive arrangements where the integrity of the relationship needs to be protected.
- Council will not seek sponsorship from or provide sponsorship to any party engaged in current or pending legal proceedings involving the Council.
- On all sponsorships, appropriate due diligence on the proposed sponsor or recipient is to be undertaken.

- Sponsor benefits or sponsorship do not include implied endorsement by Council of the sponsor's goods or services or use of Council's logo to promote their products.
- Sponsorship arrangement that impose or imply conditions that limit the Council's ability to carry out its functions fully and impartially will not be agreed to.
- The City of Albany Council reserves the right to withdraw sponsorship with an external party when they are considered to have not complied with the spirit of this policy and/or a written agreement entered into as a sponsor arrangement.
- The sponsorship is complementary to Council's vision, values, policies and strategies.
- There should not be any real or perceived conflict between the objectives and mission of the sponsor and Council.
- Ensure sponsorship received by the City supports the aims of the City of Albany Public Health Plan, and does not promote:
 - the excessive consumption of fast food;
 - the use of tobacco products;
 - gambling; or
 - irresponsible drinking.
- The City of Albany Council will not enter into sponsorship with external bodies who:
 - Are involved in unlawful activities;
 - Do not share Council's views on promoting a diverse, tolerant and inclusive community;
 - Are political parties;
 - Are considered to be an unsuitable partner by Council for reasons it sees fit to apply in the context of this policy;
 - Offer programs that may present a hazard to the community;
 - Offer programs that do not reflect widely held community views; and
 - Contravene State and Commonwealth legislation, local laws.

Guidelines for Seeking Sponsorship:

The public interest may be best served by Council making a particular sponsorship opportunity widely known for example, by calling for expressions of interest or by letters of invitation to submit sponsorship proposals to a number of prospective sponsors.

However, it is recognised that in some circumstances this ideal would be impractical and Council's request for sponsorship could be by invitation to specific potential sponsors.

A sponsorship proposal should be developed which clearly outlines the nature of the project, why it is being proposed, the benefits to the proposed sponsor and to Council, and the type or value of sponsorship sought.

Councillors interested in assisting with sponsorship arrangements should work through the relevant Council Directorate and not seek to negotiate sponsorship independently on behalf of the Council.

It is inappropriate for any Councillors or Council staff members or their relatives or partners to receive personal benefit from sponsorship agreements.

Benefits to Potential Sponsors:

Examples of potential benefits to potential sponsors:

- Brand awareness and recognition of sponsor status in publicity material associated with the activity e.g. social media, print and digital advertising, posters and other marketing material;
- Distribution of materials promoting sponsor's products or services in conjunction with activity;
- Presence of the sponsor at an activity and access to participants;
- Signage and other marketing material displayed at activity;
- Acknowledgement in speeches;
- Entry tickets to sponsored activity; and
- Naming rights of whole or a portion of activity.

Venue naming Rights sponsorship:

Applications for venue naming rights will be considered under the following conditions:

- Venue naming rights are limited to sports grounds, pavilions or public buildings only or a specific area/portion within a reserve, but not the entire reserve.
- The term of the sponsorship agreement is limited to the term of the club's licence, lease or agreement over the community venue.

- In the case where naming rights are proposed and accepted for an entire reserve, the naming convention would be:

(VENUE) PROUDLY SPONSORED BY (SPONSORS NAME) or (VENUE) SPONSORED BY (SPONSORS NAME)

The proposed name of the sports ground is not in any way offensive or discriminatory; and

The community venue ground is only referred to the 'sponsored name' in club, association, competition or league promotions and marketing. Council names for the reserve, pavilion and any other public building will prevail in public documents e.g. Council reports, engineering / road plans, directories, web-sites etc.

Community venue naming rights remain vested with the City of Albany as venue owner and manager.

Upon approval, the organisation/club will be permitted to install a single naming sign that complies with the current City of Albany planning scheme.

Sponsorship Agreement:

Any sponsorship agreement must be recorded in writing and signed by both parties. This should include:

- The term or purpose of the sponsorship and any conditions regarding renewal.
- Specific services, products or funds to be provided by Council and the reciprocal benefits, including, where practical, a dollar value of services or products.
- Do not print and store a copy of this document. Always access the Internet/Intranet copy to ensure you have the latest version.
- The form or forms of sponsorship acknowledgement which will be available. e.g. Signage, advertising/social media/digital/media releases.
- Any limitations to the sponsorship such as restrictions on seeking additional sponsors.
- The responsibilities and expectations of each party for the project.
- Any guidelines for the use of corporate logos or limitations on advertising, media and other publicity.

- A statement to the effect that any attempted influence of Council’s regulatory functions will result in an automatic review and/or termination of the sponsorship agreement.
- Any special conditions which may apply.

Policy Non-Compliance:

A sponsorship agreement may be refused and/or terminated if deemed by the Chief Executive Officer as a real or perceived conflict, or where a breach of the terms of an agreement has occurred.

Conflict of Interest

All City employees, contractors and Elected Members are bound by their respective “Codes of Conduct” and are prohibited from receiving personal financial rewards for their involvement in the solicitation, negotiation, authorisation or execution of a sponsorship arrangement for a City project.

All City employees receiving products, goods or services as mementoes or tokens of appreciation from sponsors, will disclose the receipt of such items in accordance with City policies and the City’s Employee Code of Conduct.
