Policy Objectives

1. To protect the amenity and function of the City's public places and maintain priority use for community members.
2. To provide direction to City staff in the processing of applications for trading in public places, in accordance with the City of Albany's *Activities on Thoroughfares and Public Places and Trading Local Law 2011* and/or *Local Government Property Local Law 2011*.
3. Encourage traders to operate in locations which support the activation of underutilised public places and enhancement of community activity.
4. Ensure traders operate in a manner that complements existing 'bricks and mortar' businesses and does not threaten the vibrancy of the Albany Central Business District (CBD) and retail centre.
5. To provide a clear set of controls for operators to trade under.

Policy Scope

Inclusions:

6. This policy applies to all public land within the City of Albany and all businesses and individuals seeking to use public land to operate a business or for financial gain.

Exclusions:

7. This Policy does not apply to privately owned land.

Policy Statement

A. Provisions applicable to all traders on public places

8. The City will consider the interests of the community above the interests of the individual for all applications to trade on public places under the management of the City of Albany.
9. In order for the City to consider any proposal to trade on public places to be in the interest of the community, the proposed use of public place must:
 - a) Enhance the experience of the public place.
 - b) Be consistent with long term city goals and/or objectives.
 - c) Not impact community enjoyment of the public place.
 - d) Not disrupt the operation of, or cause nuisance to, the public place.
 - e) Not impact on the existing or desired amenity of the public place.
 - f) Not impact on the intended use of the land.
 - g) Not compromise public safety.
 - h) Not compromise traffic flow, carparking or landscaping.
 - i) Not conflict with, or prejudice permanent businesses or other normal city functions in the immediate vicinity.
10. Given the wide variety of private uses that can be proposed on public places, the City reserves the right to identify additional matters not listed under provision 9 above. Where additional matters are identified, the applicant will be provided with an opportunity to address these, prior to final determination of the permit application.
11. The City of Albany reserves the right to absolute discretion to grant or refuse an application for the use of public places, in the community interest.

Advice: Any refusal to use public places should not be taken as precluding you from operating the proposed commercial venture, rather the commercial venture is unable to be supported on a public place.

12. Traders must ensure that the trading location is kept clean and tidy at all times. The permit holder is responsible for the disposal of all litter associated with the provision of the goods or services and the cleaning of the permit location.

Advice: No waste or litter shall be disposed of into the City of Albany rubbish bins. Traders must provide adequately sized bins for patrons' and business use and remove all rubbish from the approved location at the end of trade.

13. Wastewater, solid waste, litter or any other pollutant must not be placed or discharged on to the site or allowed to enter the stormwater drainage system.

Advice: Mobile food vehicles must have a holding tank for wastewater.

14. Traders shall depart from a trading location upon the direction of any person or body, authorised to carry out any works in the street, thoroughfare, local government property or public place in which the trader is situated.

15. Traders shall not have any claim for compensation or damages as a result of any disruption to business or loss incurred due to an event, market, parade, thoroughfare works or any other contingency.

Advice: The City is under no obligation to relocate the trader should operations be impacted by the circumstances listed under provisions 13 and 14 above.

16. Traders shall not obstruct, cover, remove, relocate or modify trees or landscaping, public art, benches, bins, bus shelters, footpaths, roads or other City owned infrastructure.

17. Trading shall only take place in a suitable area with the City of Albany permission and where it does not cause a safety or nuisance concern or impact the existing or desired amenity of a place.

18. Traders may use public carparking areas subject to compliance with all relevant provisions of this Policy provided local carparking requirements (car parking numbers, appropriate vehicle manoeuvrability, vehicle access/egress etc.) are not impacted.

19. To ensure public safety, trading must be conducted in areas that are serviced by adequate lighting, should trading be proposed during hours of darkness.

Advice: No person shall install or cause or permit the installation of outdoor lighting otherwise than in accordance with the requirements of Australian Standard AS 4282 - 2019 Control of the Obtrusive Effects of Outdoor Lighting.

20. Advertising signs are restricted to the location from which the business is conducted. No permanent signage will be permitted in a public place.

21. Associated fixtures such as table and chairs may be provided on site at the discretion of the City of Albany.

Advice:

- o *Fixtures are to be of a temporary nature and removed from the site at the end of trade;*

- *Fixtures must not obstruct pedestrian flow or vehicular traffic.*

22. To apply for permission to operate as a trader within the City, the following documentation will be required:

- A completed Permit Application form, including proposed payment details;
- A cover letter introducing the proposal and summarising the following details:
 - Proposed location (unless applying as an itinerant trader)
 - Details of goods/services sold
 - Expected hours of operation
 - Statement against the relevant provisions of this Policy (including how the application is consistent with community interest)
- A Management Plan detailing the following information:
 - Details as to how amenity of the public place/s will be maintained
 - Details as to how the potential for public nuisance will be minimised.
 - Details on waste generation and method for ensuring location/s remains clean, tidy and free of litter
 - Details on the provision of power, water, gas or other servicing requirements.
 - Any other information deemed relevant by the City of Albany (Applicants are advised to discuss information requirements with the City of Albany as early as possible).
- Details of the vehicle and trailer (if relevant) to be used in the proposed operation, as well as a site plan detailing where the vehicle/trailer will be stored when not in operation.

Advice: Please note the vehicle and trailer must be stored entirely within property boundaries (verge parking not permitted) and shall ensure sufficient on-site parking bays for any existing use of the site (as required under LPS1 or the R-Codes). If this is not possible at your residence, alternative parking locations should be explored.
- Photographs and/or elevations of the trading vehicle depicting the external appearance of the vehicle (if relevant)
- A copy of current public liability insurance to the value of \$10 million; and
- If food is sold, a current copy of your *Food Act 2008* Certificate of Registration (noting the vehicles internal fit out must comply with the requirements of the *Food Regulations 2009*, applicable ASNZ Food Standards Codes and the City of Albany Health Local Laws) is required.

B. Trading - Approved Events and Markets:

23. Subject to approval from event holders:

- If your food business (registered food business and as a stall holder) is based within the City of Albany, no food stall approval is required to trade at an event or market.
- If your business is located outside of the City of Albany an Application for a Temporary Food Stall Approval will be required (unless proof of appropriate registration in another local government area is provided).

C. Trading – Approved Fixed Locations (Food):

24. The City of Albany has identified fixed trading locations where trading may be permitted only by the approved trader in accordance with their licence (refer to Annexure A).

25. Traders may also put forward an application to trade at a location not currently listed as a fixed location within Annexure A. The City will assess any location put forward in this manner against the objectives of this policy before granting approval.

Advice:

- *This process may require amendments to this Policy and/or determination at an Ordinary Council Meeting. Traders likely to experience time pressures are therefore encouraged to commence this process as soon as possible or apply for an existing fixed location.*
- *The City may make a determination as to whether a trading permit can be issued to the operator under the provisions of this policy before progressing with an application for a new fixed location.*

26. A fixed location trader licence may be issued for a maximum of two years, however a shorter term may be issued at the City's discretion (particularly for inexperienced operators).
27. A fixed trading location becomes available for reallocation if the trader ceases trading for a period of six months or advises that they wish to cease trading.
28. Unoccupied fixed locations remain available until a licence has been issued to a suitable operator in accordance with provision 32 below.
29. Annual fixed location trading fees will be set each year by Council through the budget process and fees may differ depending on the location/desirability of the site (as shown in Annexure A). The desirability rating is based on the proximity to the CBD, attractiveness of the locality and/or potential for passing trade.

Advice: Please contact the City of Albany Planning Department should you wish to discuss fees payable for individual sites that are listed in our Fees and Charges.

30. Fixed location trader licences will be determined at the discretion of the City, on their individual merit and against the following criteria:
- How will the operation benefit the community (i.e. authenticity, quality, unique culinary experience and celebrating local produce);
 - How will the operation enhance the experience of, and be relevant to the purpose of the public place;
 - Experience of the trader (e.g. food van or restaurant that is currently operating);
 - Relevant qualifications (e.g. barista certificate, qualified chef or baker etc)
 - Possession of a well-designed and well-maintained vehicle that is aesthetically pleasing and complies with the City's environmental health requirements.
 - Historic use of a specific location by the trader and existing patronage by the community.
 - Appropriateness of Management Plan provided by the trader.
 - Knowledge of food safety principles.
 - Marketing plan and social media presence.

Advice: The City will place a particularly high emphasis on benefits to the community in accordance with dot points one above. Given the prominence of the locations on offer, high quality, unique and/or authentic cuisine will be favoured. Operators proposing more standard fast food or café fare, may not be deemed suitable for certain locations.

31. City reserves the right to refuse an application for a fixed location licence should the application not successfully demonstrate compliance with any or all of the above criteria, even if the proposed site is currently unoccupied.
32. Approval of a fixed location permit does not grant the permit holder exclusive rights to the permit area.

D. Trading – Approved Fixed Locations (Non-Food):

33. There is currently one non-food location, other than leased areas which is located within the Middleton Beach carpark (refer Annexure B).
34. The fixed location non-food trader licences will be determined at the discretion of the City, on individual merit and against the following criteria:
 - How will the operation benefit the community (i.e. to what extent will the operation address a particular need)
 - How will the operation enhance the experience of, and be relevant to the purpose of the public place
 - Impact on other similar business in the vicinity (are other operators offering similar goods/services nearby)
 - Experience of the trader (e.g. previous experience in similar operations);
 - Possession of a well-designed and well-maintained vehicle that is aesthetically pleasing and complies with the City's environmental health requirements (if relevant).
 - Historic use of a specific location by the trader and existing patronage by the community.
 - Appropriateness of Management Plan provided by the street trader.
 - Marketing plan and social media presence.

36. Traders operating under this arrangement are precluded from selling within the Albany Central Business District (CBD), as indicated within Annexure C – Albany CBD: Itinerant Traders Exclusion Zone.
37. Trading is permitted in areas outside of the Albany CBD provided that:
 - It occurs a minimum of 200 metres away from any shop or other permit holder, offering a similar product for sale (except when the Trader has been invited onto a property by the property owner/occupier and is participating in an approved event such as a weekend market or sporting event); and
 - It occurs a minimum of 200 metres away from a school between the hours of 7.00am and 9.00am and 2:30pm and 4.00pm during school days; and
 - If less than 2km from the CBD, traders move on when all customers at a particular location have been serviced; or
 - If parked in a safe location within a public car parking area/space (complying with local parking restrictions) traders move on within the following maximum daily time limits:
 - 2 hours - Between 2km and 10km from the CBD
 - 4 hours - more than 10km from the CBD
38. Itinerant coffee vendors are permitted to temporarily locate on private property and sell goods in accordance clause 37 above (excluding final dot point – refers to public land) provided landowner approval has first been obtained.
39. The City may limit the number of itinerant food trader permits issued, if it is determined the operation of itinerant food vendors is causing undesired impacts to local amenity, the operation of existing bricks and mortar businesses, or any other issue considered relevant by the City.

F. Stallholders

40. Approval for stalls, other than stalls which are part of an approved market or extend the service area of an existing business onto the adjacent footpath, will be restricted to community associations only.
41. A stallholder proposing to operate a food stall, which will offer for sale to the public potentially hazardous food (e.g. sausage sizzles) is required to submit an application for approval (unless proof of appropriate registration is provided) to the City's Environmental Health team.
42. All food products that are not for immediate consumption must be labelled in accordance with the relevant food regulations.
43. Community associations will not be required to pay permit fees.

G. Alfresco-Dining

44. Operators of alfresco-dining areas are required to hold a permit under the provisions of the *Activities on Thoroughfares and Public Places and Trading Local Law*, where they are referred to as outdoor eating facilities.
45. Applications may only be submitted by proprietors of existing food premises who wish to extend their service area onto the adjacent footpath (generally) in front of their premises.
46. A proprietor granted approval to operate an alfresco dining area is required to indemnify the City in writing against any action taken against the City by a person injured or suffering loss due to the presence of the alfresco-dining area.
47. The boundaries of an approved alfresco-dining area are to be marked and maintained by the registered proprietor. Markers can be purchased from the City.
48. Tactile directional tiles, removable railings or planter boxes may be required by the City, at the business proprietor's expense, to provide delineation to a dining area for the visually impaired.
49. Tables and chairs used in the alfresco-dining area should be designed for commercial outdoor use – domestic furniture is not permitted.
50. All patrons and furniture must remain within the delineated boundaries of the alfresco-dining area. It is the responsibility of the permit holder to ensure this requirements is complied with at all times.

Advice: Patron behaviour in the alfresco area should be regularly monitored and controlled (if required).
51. Tables and chairs used in the alfresco-dining area must be located no closer than 600 millimetres from the adjacent kerb to allow passengers to alight from vehicles.
52. A minimum 1800mm unobstructed thoroughfare must be maintained for pedestrians at all times.

53. Tables, chairs and other furniture associated with the alfresco dining facility should generally be removable and stored inside the premises following the close of business. More permanent furniture can be explored subject to a development application and building permit (if required).
54. Operators must provide table service to patrons within an approved alfresco-dining area at all times.
55. No advertising signs, other than the logo or name of the outlet, will be permitted in an alfresco-dining area.
56. The City of Albany reserves the right to withdraw the alfresco dining permit at any time and for any reason, including non-compliance with the above requirements or permit conditions.

Advice: The applicant is encouraged to explore whether the additional seating capacity resulting from the alfresco-dining area will necessitate upgrades to existing sanitary facilities before proceeding with an alfresco-dining application.

H. Market Operators

57. Operators of markets on public land are required to hold a permit under the provisions of the Activities on Thoroughfares and Public Places and Trading Local Law.

Advice: Development Approval is required for a Market on private land. Please refer to the City of Albany Food Vans and Markets on Private Property Local Planning Policy.

58. Individual stalls, other than stalls selling food, are covered by the market operator's licence - individual licencing fees will not be charged.
59. Stallholders proposing to operate a food stall, which will offer for sale to the public potentially hazardous food (e.g. sausage sizzles) are required to be registered/hold registration under the provisions of the Food Act 2008.
