Details of City of Albany Major Projects released

The City of Albany has released the latest round of its quarterly Major Project Updates, a suite of publications intended to keep the community informed about some of the various projects underway.

The Winter Major Project Updates are now available, and contain details of 11 projects or initiatives the City of Albany is responsible for.

Updates in this round include:

- Albany Airport
- Albany Local Planning Strategy
- Amazing Albany
- Albany Heritage Park
- Anzac Albany
- City Centre Revitalisation
- Cycle City Albany
- Centennial Park Sporting Precinct
- Emu Point to Middleton Beach Coastal Adaptation and Protection Strategy
- Local Planning Scheme
- North Rd and Albany Highway Median Strips

The updates are available at www.albany.wa.gov.au, the City of Albany North Road building, Albany Leisure and Aquatic Centre and Albany Public Library, as well as select cafes.
