'Friends of the National Anzac Centre' pass available now

Albany's acclaimed National Anzac Centre, recently named by *Lonely Planet* as one of the best new travel experiences in the world, has introduced an annual pass.

The 'Friends of the National Anzac Centre' multiple-entry pass was introduced to let visitors return and explore the Centre as many times as they need to continue their emotional and historical experience.

"The National Anzac Centre surprises visitors with the depth and quality of the experience, with many spending an entire day exploring the various displays," General Manager Dean Lee said.

"For many visitors of the National Anzac Centre, one day is not enough to truly appreciate the depth of the interactive displays. The Centre provides such a unique experience that multiple visits are often needed."

Mr Lee said the annual pass provided real value for money for return visitors. Like regular National Anzac Centre tickets, the annual pass includes guided entry to other indoor attractions within the Princess Royal Fortress Precinct.

The costs of Friends passes are:

Adult: \$60.00

Concession: \$48.00

Child: \$30.00
