**ITEM NUMBER: PD083**

**ITEM TITLE: PROPOSED REVIEW OF MEMORANDUM OF AGREEMENT AND  
PLANNING CONTROLS FOR THE ALBANY WATERFRONT PRECINCT**

**DATE & TIME RECEIVED: MONDAY 15 JUNE 2015 AT 09:30 HOURS**

**PD083: ALTERNATE MOTION BY COUNCILLOR MULCAHY  
VOTING REQUIREMENT: SIMPLE MAJORITY**

**Council RESOLVES to seek public comment and gauge community opinion as to whether or not Council should amend the current Memorandum of Agreement, between the City of Albany and the State Government, which prohibits permanent residential living and limits buildings heights within the Albany Waterfront Precinct.**

### **Councillor's Reason:**

The subject Memorandum of Agreement was formulated based on Community input.

The current wording of the Responsible Officer's Recommendation, if carried and resolved by Council, implies that Council and/or City Officer's have already agreed in principle to the request from landowners and potential developers, which is not the case.

### **Officer's Comment (Chief Executive Officer):**

Supported. It clarifies the intent to consult and engage before any decision is made.

That was the intention and Cr Mulcahy's motion ensures that.
