2015 Community Funding and Event Sponsorship successful recipients

The City of Albany congratulates the successful recipients of the 2015 Community Funding and Event Sponsorship program.

The small grant round offers community organisations funding support between \$500 and \$5000 for eligible activities and events.

Among those funded include the Rainbow Coast Neighbourhood Centre which will move its popular Harmony Week festival to the Town Square during Harmony Week in March 2016.

Also set to receive funding is Fishers With Disabilities which will use its funding to purchase adapted equipment to increase opportunities for people with disabilities to enjoy recreational fishing experiences.

Other applicants approved for funding include:

- Youngs Siding Community Association (upgrades to Youngs Siding Hall)
- Albany Agricultural Society (Albany Agricultural Show)
- Green Skills Inc (Smart, Sustainable Albany presentations)
- Albany Maritime Foundation (2016 Festival of the Sea)
- Apex Club of Albany (Carols by Candlelight 2015)
- Albany Youth Support Association (youth arts activities)

The 2015-16 funding round completes the three year policy for Community Funding adopted by Council in 2013. The current policy will be reviewed towards the end of 2015.
