Albany Waterfront Community Comment

The City of Albany is encouraging the community to have a say on whether or not to explore possible changes to planning restrictions in the Albany Waterfront Precinct.

Currently a Memorandum of Agreement between the City of Albany and the WA State Government includes a commitment to prohibit permanent residential living and limit the height of buildings within the Waterfront development area.

The Albany Waterfront Precinct is the area adjacent to the Albany Entertainment Centre. Some lots remain undeveloped.

Community feedback will inform whether or not Council will seek to amend the Memorandum of Agreement. If Council did go ahead with this, further community consultation would occur.

An online survey is available now at www.albany.wa.gov.au. Community information sessions will also be held during September.
