AUSTRALIA DAY 2016 STALLHOLDER REGISTRATION FORM

TERMS & CONDITIONS

GENERAL RULES

- The Event Coordinator is responsible for the allocation of stalls and will provide each stallholder with a map showing their position prior to the event.
- The City of Albany has the right to accept/reject stallholders or food vendors who do not meet the event priorities. The Festival will focus on healthy food options and a select variety of local fresh produce.
- Market stall holders must adopt a smart casual dress standard.
- All electrical appliances, cords and cables must be tested and tagged prior to event by a registered electrical contractor.
- All cords and cables must be to commercial standards.
- All gas bottles must be secured.
- Market stall holders are required to follow safe food handling practices and follow Health Regulation Guidelines (information packs are available by request). An inspection will occur prior to commencement of event and the City has the right to refuse activity based on OHS standards.
- Market stall holders must ensure they are responsible for the cleaning and rubbish removal within a 1 metre area surrounding their stall.
- Market stall holders must ensure they provide hand washing facilities within stall.
- Each market stall holder **MUST** have public liability insurance and an up-to-date certificate of currency.
- This is an alcohol-free event.

STALL OUTLINES

- You will be notified with a sitemap and stallholder bump in time on the week prior to event.
- Stallholders must be in position and setup completed ready to trade by 2.30pm on Tuesday 26 January 2016.
- Market stall holders are required to stay open and trade for the duration of the event; they may not pack down until 9pm on conclusion of event.

PLEASE NOTE

A City of Albany Health Inspector and Electrical Contractor will inspect all stallholder sites and vans prior to event start. The City has the right to refuse stallholders that do not abide by the Terms and Conditions.
