

CENTENNIAL PARK SPORTING PRECINCT WINTER 2016

WESTERN PRECINCT – SOCCER

TRANSPORT AND PARKING INFORMATION

Parking Maps and Information

Winter Sport will continue during the redevelopment of Centennial Park Sporting Precinct. Measures to manage traffic and provide parking during the redevelopment will be implemented including providing a range of park & walk locations.

Please plan your movements and mode of transport well in advance. It may be preferable to walk, car pool or cycle to your sporting fixture.

Please make use of the above map, which shows the park & walk locations across the Western Precinct.

The maps on the next pages show how easy it is to walk or cycle to Centennial Park Sporting Precinct.

TRAVEL SMART MAP AND INFORMATION

Travel Smart Map and Information

Have you considered walking or riding to your Soccer game instead of driving. It doesn't take as long as you think and it is a great way to warm up.

- 500 meters takes about 6 minutes to walk or 2.5 minutes to ride
- 1km takes about 12 minutes to walk or 5 minutes to ride
- 1.5 meters takes about 18 minutes to walk or 7.5 minutes to ride
- 2km takes about 24 minutes to walk or 10 minutes to ride

Please make use of the above map to see how far you live from the Soccer fields and which shared path you can use to get there. For more information collect a copy of the Albany TravelSmart map from the City Office, Library, Visitor Centre & local bike shops or download a copy from <http://www.transport.wa.gov.au/activetransport>

It's how you get there that counts
