

Code of Conduct for Recorded Material acquired on City of Albany Property (Audio, CCTV, Camera Footage)

Objective

This Code of Conduct has been developed to ensure that the highest ethical standards are maintained by authorised persons who are involved with handling of Recorded Material (Visual & Audio).

Policy Statement

The City of Albany conducts CCTV and authorises Recorded Material Operations in order to:

- Deter, detect and respond to criminal offences against person or property at City of Albany operated locations;
- Facilitate and support an effective response by City of Albany Authorised Personnel, WA Police Officers or other emergency services personnel to situations of concern or interest at City of Albany operated locations;
- Manage and maintain health & safety for residents, visitors and City of Albany staff whilst on-site at City of Albany operated locations; and
- Conduct studies of the natural environment (flora and fauna).

Authorised persons will be required to acknowledge their activities, behaviour and statutory compliance obligations may be scrutinised in accordance with Commonwealth and Western Australia legislation and amendments which may affect the use of Recorded Material.

Standards of Conduct:

A. Ethical use of recorded material

At all times, act in an honest and legal manner to carry out duties which reflects community values.

Treat all live and recorded images in an ethical manner and with the utmost of care, respect and dignity.

Interact with WA Police and stakeholders in a timely, courteous and cooperative manner.

In public areas CCTV Camera locations are to be designated by signs and images broadcast to display monitors located behind customer service desks.

B. Confidentiality

Authorised Persons are to ensure confidentiality of information gathered by not disclosing or discussing any events with other people or associates who have no direct responsibility relating to the subject Recorded Material.

In addition, Authorised Persons will explicitly not identify any involved person or party with family, friends, or acquaintances and will not disclose any information to third parties, including the media without prior written approval in accordance with policy.

Authorised Audio and Visual operations, allows for the viewing and use of recorded material by area Line Managers and Supervisors, with the condition that material is not to be used to 'Performance Manage' staff unless directed by HR.

C. Operating conditions

Closed Circuit Television (CCTV):

- Other than Authorised Personnel, written authorisation is required from the Designated Officer(s) for visitors to enter Designated CCTV Surveillance Operation Areas and will sign a Visitor's Book;
- CCTV Cameras should only be used in accordance with this policy when there is an operational necessity or a reasonable belief that an offence has or is likely to occur.
- CCTV Operational records (hard copy or electronic) can only be destroyed with written authorisation by a Designated Officer in accordance with approved CCTV Operating and Recorded Matter Procedures.
- CCTV viewing access to an approved 3rd Party must be recorded on the prescribed "CCTV & Audio Material 3rd Party Access Log".

General:

- In the course of carrying out duties, persons must not use recording equipment for benefit or invade individual or group privacy.
- Recorded material shall only be released to a third party when requested in writing and approved by the designated officer(s).

D. Reporting a breach of the code

Should any person become aware that an Authorised Persons work behaviour is or was inappropriate, and the incident has not been dealt with through normal supervisory procedures, then the person is obliged to report the incident to a Designated Officer.

All reported matters will be handled with sensitivity and without repercussion.

E. Non-compliance with this code

Any breach of this Code of Conduct could result in disciplinary action, up to and including dismissal and criminal proceedings.

F. Responsibility

The following designated positions are responsible for authorising persons to conduct audio and visual operations on local government property:

- **Executive Director Corporate Services:**
 - All Recorded Material.
- **Manager Ranger & Emergency Services:**
 - Ranger Services Interview Audio & Visual Recordings
