

City of Albany Transfer Stations User Guide

Rural Transfer Stations provide a domestic waste service for rural ratepayers. Farm and commercial waste is not accepted at these sites.

Rural Waste Passes

A current Rural Waste Pass or Ute/Trailer Pass must be presented to dispose of waste at transfer stations. **Without a pass you will be directed to the Hanrahan Road or Bakers Junction landfill sites and charges will apply.**

Rural ratepayers receive one Domestic Rural Waste Services Pass each financial year to dispose of domestic waste at any of the City's Rural Transfer Stations, as well as the Hanrahan Road and Bakers Junction landfill sites. Each pass has 52 tokens with each token equal to a 140 litre bin of rubbish.

One pass for a ute/trailer (6x4m) load of waste is also issued each financial year. This pass can only be used once.

Additional Domestic Rural Waste Pass Fee Schedule*
