IN BRIEF

To seek Council endorsement of the priority ranking for the submitted Community Sport and Recreation Facility Fund (CSRFF) application

RECOMMENDATION

ITEM 3.1: RESPONSIBLE OFFICER RECOMMENDATION VOTING REQUIREMENT: SIMPLE MAJORITY

That Council rank the Merrifield Tennis Club's court resurfacing project as their number one priority for this CSRFF Small Grants Round Two in January 2013.

BACKGROUND

- The Community Sport and Recreation Facilities Fund (CSRFF) administered by the Department of Sport and Recreation (DSR) has three rounds of available funds including two small grant funding rounds per year and its annual and forward planning funding round. Council has appreciated the support of DSR, through CSRFF, which has contributed funds to significant sporting infrastructure in the City.
- 2. The current round of funding applications is for the small grant round with the financial value of the total project being from \$5,000 up to \$150,000.
- 3. Applicants must be either a local government authority or a not-for-profit sport or community organisation incorporated under the WA Associations Incorporation Act 1987.
- 4. Clubs must demonstrate equitable access to the public on a short term and casual basis.
- 5. The land on which the facility is to be developed must be one of the following:
 - Crown reserve
 - Land owned by a public authority
 - Municipal property
 - Land held for public purposes by trustees under a valid lease, title or trust deed that adequately protects the interests of the public.
- 6. Applicants must liaise with their Local Government regarding planning and building approvals pertinent to their project.
- 7. The Local Government has an opportunity to assess all relevant applications and to rank applications in priority order for the municipality.
- 8. The Department of Sport and Recreation application form calls for applications to be initially submitted to the Local Government within which the project proposal is located.

ORDINARY COUNCIL MEETING AGENDA – 19/03/2013 **REFER DISCLAIMER**

- 9. An element of the assessment process involves Council consideration and priority ranking of applications received. The applications are then submitted to the Department of Sport and Recreation on behalf of the applicants prior to 1 March 2013.
- 10. Once the assessment process from Local Government Authorities are complete all applications received from Western Australian organisations are assessed by the relevant State Sporting Association and the Department of Sport and Recreation CSRFF Committee against a number of criteria, with the final decision on funding being at the discretion of the Minister for Sport and Recreation.

DISCUSSION

- 11. The grant guidelines require Council to provide a ranking for the projects.
- 12. A total of one (1) application was received prior to the submission deadline from Merrifield Tennis Club. The project being considered is resurfacing of the backdrops of courts one and two and resurfacing the areas between courts two and three. Top coating courts one and two. The aim of this project is to repair and increase the safety of the courts. It's a short term solution whilst the Lower Great Southern Tennis Association undertakes a feasibility study for a regional tennis centre and more strategic plans are developed. Club has worked hard since their last application to raise the additional funds to meet two thirds of the total project costs.
- 13. The Department of Sport and Recreation provides guidance for Local Government Authorities to assess each submission. This assessment uses the following criteria and a project rating of satisfactory/unsatisfactory or not relevant:
 - Project justification
 - Planned approach
 - Community input
 - Management planning
 - · Access and opportunity
 - Design
 - Financial viability
 - Coordination
 - Potential to increase physical activity
 - Sustainability

with overall project rating, being:

- · Well planned and needed by municipality
- Well planned and needed by applicant
- Needed by municipality, more planning required
- Needed by applicant, more planning required
- Idea has merit, more planning work needed
- Not recommended.

ORDINARY COUNCIL MEETING AGENDA – 19/03/2013 **REFER DISCLAIMER**

GOVERNMENT CONSULTATION

- 16. The Department of Sport and Recreation's Regional Manager for the Great Southern has been consulted by the applicant.
- 17. The Department and the City has previously supported this applicant with the resurfacing of courts three and four. These courts are now in poor condition and will require additional funding to repair. The Department of Sport and Recreation have advised that they would not consider any funding for resurfacing of courts three and four. The City would also support this view
- 18. This project was submitted in CSRFF Round Two 2012/13 but was unsuccessful as the applicant could not meet the required two thirds of the project cost.

PUBLIC CONSULTATION / ENGAGEMENT

- 19. A total of one (1) application was received from Merrifield Park Tennis Club. The Manager of Recreation Services met the applicant on site at the Merrifield Park Tennis Club to discuss the application.
- 20. At the meeting the club was advised that the City of Albany still had a moratorium on funding assistance for CSRFF grants and therefore the applicant would be required to provide two thirds of the funding. The applicant has the two thirds of the project cost for this application.

STATUTORY IMPLICATIONS
