City of Albany school holiday programs kick off

The City of Albany has a wealth of activities planned for the school vacation period, with several exciting Summer Holiday Programs about to kick off.

Albany Public Library, Vancouver Arts Centre and Albany Leisure and Aquatic Centre will run kid-friendly activities and sessions throughout January.

The VAC Summer Program runs from January 6-24 and features activities and workshops for 4-17 year olds including pottery, portrait drawing, art journalling and kaleidoscope collages.

In addition, an Early Year's ArtSpace featuring low and no-cost activities will be open from 9-4pm for children aged 0-5 and their parents. Entry is by donation.

The My World in 3D mini-animation festival will run from January 10-24 and is suitable for 4-17 year olds, featuring a mini animation film festival and more workshops.

Albany Public Library will run their Summer Holiday Program from January 13-23, with free sessions suitable for primary-school aged children.

Activities include the Sensational Sock Puppets and workshops on creating friendship bracelets and noodle necklaces, among others.

ALAC's holiday program KIDZone will run on selected dates from January 6-22, 9am to 12 noon for children aged 7-12.

The program is \$20 per day and includes swimming, water slides, basketball, arts and crafts, indoor soccer and plenty more.

Bookings are essential for all activities and workshops, and can be made by contacting the individual business units.
