Albany Leisure and Aquatic Centre launches KIDZone for April

Albany Leisure and Aquatic Centre is relaunching its school holiday program KIDZone during the April school holidays, open to children aged 7-12 years.

ALAC manager Warwick Westmore said the City of Albany was aware of a need to address boredom and lethargy among young people during school holidays.

"The KIDZone program is designed to keep children active and engaged to help maintain healthy minds and bodies," Mr Westmore said.

"It's also a great place for children to interact with other kids and make new friends, whilst in a fun and safe environment."

The program will run Monday April 14 to Thursday April 17, and again from Tuesday April 22 to Thursday April 24. The program sessions run from 9am to 12 noon.

The program is \$20 per day and includes swimming, water slides, arts and crafts, and other sports and recreational activities.

Each day's program is dependent upon minimum numbers being reached, and bookings are essential.

Registration forms are available at the ALAC reception desk and at www.albany.wa.gov.au, and payment is required in full at the time of booking.
