Councillor's Reason for Amendment:

During discussion at the Agenda Briefing Session held on Tuesday 20 May 2014, an amendment was proposed to the original Notice of Motion by Councillor Goode.

The motion was amended to clarify that members of the public were entitled to address Council Committee meetings on items appearing on the agenda only. Should members of the public wish to address a committee on matters not appearing on the committee agenda, they would be afforded the opportunity to speak at Item VI of the Agenda- Petitions, Deputations and Presentations, by contacting the Chair of the Committee prior to the meeting.

This information should be made available to members of the public.
