COMMUNITY EVENT GRANT FUNDING OBJECTIVES 2026

Your event must demonstrate it achieves at least one of the funding objectives listed below to be eligible for assessment.

Events that address more than one priority will be scored higher.

- Have a positive impact on the vibrancy, diversity of activity and liveability of Albany.
- Contribute positively to the image and social connectivity of Albany.
- Enhance community engagement and participation with events and promote social inclusion, diversity and community participation.

ALBANY 2026 FUNDING OBJECTIVES

The following additional criteria applies to events that will be held between 1 July 2026 and 31 December 2026.

2026 is an important milestone for the Albany community. Regional events scheduled to be held during 2026 and seeking City of Albany funding support through the Regional Events & Film Sponsorship program will be assessed based on alignment with the 2026 vision, mission and strategic themes of the Bicentenary project. Applicants will be required to demonstrate how their event/film aligns to one of the strategic themes:

- **Reflect authentically on the past:** Albany 2026 should reflect authentically on the past, including knowledge sharing of Menang culture, sharing key historical events and highlighting prominent Albany figures.
- **Toast the present:** Albany 2026 should demonstrate pride in Albany's present. Albany residents are proud of the town they live in and see this as a reason to celebrate their diverse and connected people, culture, environment, and produce.
- **A future where anything is possible:** Albany 2026 is an opportunity to create a legacy for future generations by acknowledging what could be improved, understanding the desires of Albany residents and creating a city where residents can continue to live together in harmony.

APPLICATION ASSESSMENT PROCESS

Applications for Community Events Grants will be assessed by a panel comprising City Officers. This is a competitive program, and not all applicants for funding will be successful. Your chances of success depend on how well you can demonstrate that your application meets the priority areas and assessment criteria

Applicants should answer all the questions provided with as much detail as possible. Your responses will enable the Assessment Panel to make their decision.

When completing the application form consider how the proposed activity or project addresses the following assessment criteria:

- The application addresses at least one funding objective. Applications that address more than one funding objective will be scored higher.
- The application demonstrates community involvement in the design and implementation or delivery of the event. This includes demonstrated consultation with the target and/or wider community.
- The application demonstrates a genuine community need for the event. This can be demonstrated by use of statistical data, letters of support from relevant stakeholders (including community groups), or other relevant information such as identified gaps in program delivery in the City's municipal boundary.
- The application demonstrates the project or activity delivers value for money.
- The applicant demonstrates wherever possible that other funding support from corporate sponsors (cash or in-kind) has been secured or sought.

The Assessment Panel will assess each application's response to the funding criteria based on a scale of 1 – 5 as detailed below;

2	Fair: Partially meets criterion
3	Good: Meets criterion
4	Very good: Exceeds the criterion
