

Bulk Green Waste Instructions

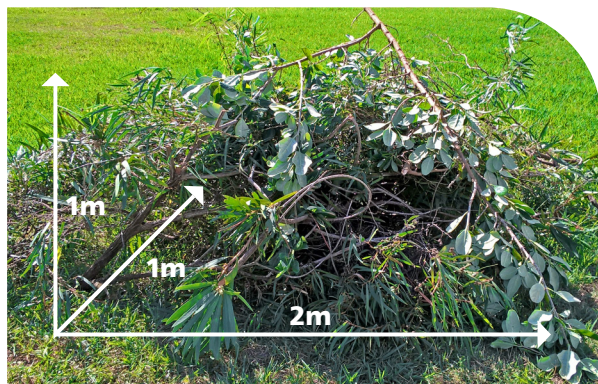

These items **WILL BE** collected:

- ✓ Tree and shrub prunings up to:
 - 1.5m in length
 - 25cm in diameter
- ✓ Up to two trailer loads of garden prunings (6 x 4 trailer size, or two [2] cubic metres)

These items **WILL NOT** be collected:

- ✗ Bags or boxes of green waste
- ✗ Loose leaves or lawn clippings
- ✗ Sand and soil
- ✗ Dug out lawn

Keep green waste loose.
DO NOT tie in bundles.

⚠ Piles should be **NO** more than
2m long x 1m wide x 1m high

What happens to my green waste?

Once collected, your green waste is delivered to the local processing facility where it is turned into mulch. It is then sorted into rows and composted into nutrient rich soil improvers for gardens and parks.

2022 BULK GREEN WASTE COLLECTION

COMMENCING 30 MAY 2022

CLEANAWAY
Making a sustainable future possible together

Verge Collection Information

Residents with a regular kerbside bin collection service can place up to two trailer loads of garden prunings (6 x 4 trailer size, or two [2] cubic metres) on the verge.

- ✓ Place your waste on the verge the weekend before your scheduled start date.
- ✓ All items must be out by 6AM on the Monday of your scheduled week.
- ✓ Allow 5-7 days for collection.

✗ Green waste placed on the verge more than 7 days prior to your scheduled start date, or after the truck has passed, may result in a litter infringement notice.

✗ Don't place bulk green waste inside your property line, on vacant blocks, reserves or parkland.

✗ Ensure that items do not obstruct pathways, essential services or line of sight for pedestrians, cyclists and vehicles.

Collections are done mechanically, so please DO NOT place your green waste next to trees, power poles, walls, street signs, sprinklers or water meters (as these may be damaged).

⚠ If you have a restricted verge access, please contact Cleanaway on 6801 7500 for advice prior to the collection commencing in your area.
