

CITY OF ALBANY CLIMATE CHANGE ACTION DECLARATION

The City of Albany acknowledges the collaboration with the Youth Advisory Council in the development of this Climate Change Action Declaration

THE CITY OF ALBANY ACKNOWLEDGES THAT:

- Climate change is occurring and requires immediate and urgent action.
- Climate change will continue to have significant effects on the Albany environment, society and economy.
- Local government plays an important role towards eliminating carbon emissions through our own actions and advocating for change within the community.

THE CITY OF ALBANY SUPPORTS THE:

- Environmental, social and economic benefits of addressing climate change immediately.
- Development and implementation of local, state and federal policies for climate change action.
- Science that underpins climate change and recognises the United Nations Sustainable Development Goals and the Intergovernmental Panel on Climate Change as key areas of influence that impact the City of Albany.

THE CITY OF ALBANY WILL:

- Deliver the actions relating to climate change in the Council Plan, Water Strategy and Corporate Power Plan and report on achievements annually.
- Advocate to State and Federal government to implement key climate change actions.
- Engage with the Youth Advisory Council and wider community on climate change initiatives.
- Review the Climate Change Action Declaration every five years to ensure it remains relevant to community priorities.
