

Let's have fun with MONOPRINTING WORKSHOPS

Artist Chris Latham from the South West Printmakers will be running two workshops for children aged 8 to 12 years. Learn how to create Styrofoam block prints using fun and easy techniques. Produce multiple prints that can be used to create homemade greeting cards or art that can be framed.

Monday 11 January & Wednesday 13 January

Time: 10.30am – 12.30pm

Cost: \$7

Ages: 8-12 yrs

Bookings Required (limited spaces)

Venue: Co-op Building

SOUTH WEST PRINTMAKERS

Exhibition

The South West Printmakers are a group of artists based in the south west and southern coast of WA, who have been brought together by a passion for printmaking.

The techniques used in this exhibition are lino, woodcut, etching, stencil and screenprint, and cyanotype.

Artists: Carol Farmer, Sue Dennis, Lianne Jay, Yvonne Dorricott, Christine Latham, Helen Hulme-Gerrard and Janette Trainer.

Free Entry. 10am – 4pm

Mountains Meets the Sea by Jordan Robins (detail). The Australian Geographic Nature Photographer of the Year competition is produced by the South Australian Museum.

The South Australian Museum gratefully acknowledges the support of Dr Stuart Miller AM, founder and patron of ANZANG, and his sister Mrs Alison Huber in memory of their parents, Dr Robert and Mrs Clarice Miller, both late of Walkerie, South Australia.

PINHOLE PHOTOGRAPHY Workshop

In this hands-on workshop, our experts will guide you step by step as you build and use your own working pinhole camera.

**Tuesday, 19 January
&
Thursday, 21 January**

Time: 10.00am – 1.00pm

Cost: \$25

Ages: 12 years +

Bookings Required (limited spaces)

Venue: Co-op Building

THROUGH THE LENS Discovery Centre

Bring tiny objects into focus under our microscope and observe how different materials react under ultraviolet light. Put our camera lucida to the test and see if you can draw like the old masters from the past. Explore the way the human eye sees and records the world around us through a series of interactives and displays that examine light, colour, art and science.
