

Respect. Protect. Connect

The Mounts are a place to walk, ride, discover and connect with Country.
Help keep the Mounts protected, safe and enjoyable for everyone.

Always:

1. BE SAFE

Ride and walk within your ability, wear appropriate gear, always carry water and a phone.

2. PLAN AHEAD

Check trail rating and condition, and always know your route and location.

3. STAY ON THE TRAILS

Use the right trail designated for your chosen activity, and never take shortcuts or create new tracks.

4. OBEY SIGNS & WARNINGS

Follow trail classifications, trail closures, directional signs, give-way and slow down points.

5. PROTECT THE ENVIRONMENT

Leave no trace, protect wildlife, vegetation and respect cultural heritage sites. Keep bikes and footwear clean to help prevent the spread of dieback.

6. RESPECT OTHERS

Share the trails, treat each other with courtesy and respect, slow down and pass safely, give way where signed.

STAY CONNECTED
