

## **ALBANY CLASSIC 2023 ROAD CLOSURE NOTICE**

Since 1991, every WA Day June long weekend, the Vintage Sports Car Club of WA and Albany Classic Motorsports Club (formerly the Albany Organising Committee) with assistance from the City of Albany have presented the Albany Classic Motor Event around the streets of Albany and the Mt Clarence Hill Climb. The events are a commemoration of "Around-the-Houses" motor racing events which began in WA at Albany in 1936.

Many local charitable groups use their participation in the event to raise funds for their activities in the community throughout the Albany region. On Sunday as well as car racing, there will be stalls in Alison Hartman Gardens and entertainment for the whole family with displays of vintage and classic cars on York Street.
