For immediate attention of the Albany City Council,

" We, the undersigned, wish for the council to re-evaluate the destruction of the 9 Norfolk Pine Trees as outlined in the image below. As concerned members of the public we are asking for transparency and public consultation. We request for the reports underlining the health of these trees to be made public and that if they absolutely cannot be left where they are, that they be possibly transplanted instead of mulched, which happened with a similar project two years ago in Perth which resulted in Norfolk Pines being successfully relocated to Alkimos. It is essential that there is full public

consultation on the matter. **WE CALL ON THE ALBANY CITY COUNCIL TO HOLD A PUBLIC MEETING IN REGARDS TO THE DESTRUCTION OF THE NORFOLK PINES AT MIDDLETON BEACH AND THAT ALL WORKS ARE PAUSED ON THIS DEVELOPMENT UNTIL THE PUBLIC MEETING HAS BEEN CONDUCTED.**"
