COMMUNITY STRATEGIC PLAN (ALBANY 2023)**

**VISION**

Western Australia's most sought after and unique regional city to live, work and visit.

**VALUES**

All Councillors, Staff and Volunteers at the City of Albany will be...

**Focused: on community outcomes**

This means we will listen and pay attention to our community. We will consult widely and set clear direction for action. We will do what we say we will do to ensure that if it's good for Albany, we get it done.

**United: by working and learning together**

This means we will work as a team, sharing knowledge and skills. We will build strong relationships internally and externally through effective communication. We will support people to help them reach their full potential by encouraging loyalty, trust, innovation and high performance.

**Accountable: for our actions**

This means we will act professionally using resources responsibly; (people, skills and physical assets as well as money). We will be fair and consistent when allocating these resources and look for opportunities to work jointly with other directorates and with our partners. We will commit to a culture of continuous improvement.

**Proud: of our people and our community**

This means we will earn respect and build trust between ourselves, and the residents of Albany through the honesty of what we say and do and in what we achieve together. We will be transparent in our decision making and committed to serving the diverse needs of the community while recognising we can't be all things to all people.
