#### RECOMMENDATION

#### CCS681: AUTHORISING OFFICER RECOMMENDATION

#### BACKGROUND

- 2. The importance of grassroots/community-led events and projects has been identified within the Council adopted (and community informed) Albany 2026 Strategic Plan.

- 6. Eighteen (18) applications were received in the \$10k - \$50k funding stream. These applications have been assessed by an Evaluation Panel and the recommendations are presented within this report for Council approval.
- 7. Projects sponsored through the Albany 2026 Community Sponsorship Program should showcase Albany's rich cultural heritage, its people, places and stories. - 8. Outside of the Albany 2026 Community Sponsorship Program, the City also provides funding opportunities (for events/activities) via the Regional Event Sponsorship program. Projects that do not align with the Albany 2026 Community Sponsorship Program may better align to the Regional Event Sponsorship program.
- 9. In addition, and throughout 2025, the City will release an expression of interest to local community groups and organisations requesting information about events/activities occurring throughout 2026 for consideration for inclusion in official programming/marketing materials to further boost community involvement opportunities outside of those which receive direct funding.

Applicant	Project Title	Criteria Scoring (/5)	Funding Requested	Funding Recommended
Cinefest OZ	Celebrate Kinjarling	4.31 (86.2%)	\$50,000	\$35,000

#### Description:

The applicant will work with local students, creatives and First Nations people to commission three short films inspired by Albany stories in the year leading up to 2026. The project will allow local community to innovate, inspire and showcase the creative heart of Albany, through any screen medium including filmed spoken word, dramatic recreations, creative stories, short documentaries or experimental projection on local landmarks. The applicant would mentor the teams involved through attaching an experienced producer and videographer along with supporting a small production budget for each project. These bespoke film projects will be screened (alongside other Albany focused content) at approximately 10 free public screenings. This project will provide legacy material that can be promoted and referenced throughout 2026 and beyond. The applicant estimates approximately 3,000 participants/attendees over the 10 screenings/events. A well-considered application scoring highly against all criteria (86.2%), the project has strong alignment to the themes of Albany 2026. However, it is recommended that the applicant expand the project to include stories from diverse cultures to broaden its impact.

#### Description:

The project demonstrates strong alignment to the themes of Albany 2026 and offers diverse cultural programming across the full calendar year, providing significant value for money. Its extensive community collaboration, particularly with the local Menang-Noongar community, enhances cultural authenticity and inclusivity. Select components will be one off events, however each of the Albany 2026 themes will be accompanied by a month-long exhibition via Artist in Residence programming. The applicant estimates approximately 18,000 participants/attendees over the year-long programming. With potential to elevate Albany's profile nationally, this project offers meaningful historical insights, including the community's evolution from whaling to conservation. With demonstrated organisational capacity to deliver this project, it will provide significant activation throughout the year of 2026.

Applicant	Project Title	Criteria Scoring (/5)	Funding Requested	Funding Recommended
Wellstead Heritage and Historical Committee	Between the Mountain and the Sea - A History of Wellstead District	3.5 (70%)	\$49,995	\$25,000
Description:				

The project aims to profile the human history of the lands between 'The Mountain & the Sea' and it will especially pay respect to Traditional Custodians & promote their long and ancient connection to the lands. The aim is to produce/deliver a 30–60-minute historic film capturing the human history of the area, a revised version of the Wellstead History Book, and a two-week exhibition at the Vancouver Arts Centre. The new historic film will be launched during 2025 (outside of the Albany 2026 period) and therefore has not been recommended to receive funding, however the public exhibition will be held in 2026. The project will highlight an area outside of the Albany CBD, expanding the reach and appeal of Albany 2026. The project aligns with the Albany 2026 themes, encouraging the local rural community to celebrate its unique history and deepen connections with the broader Albany area. The recommended funding is to support the public exhibition and film project components. The film production offers educational and cross-cultural value, providing a look at European and First Nations relationships in the region. The project's outcomes (including a film project) will present lasting resources for the community.

#### ALTERNATE OPTIONS

#### CONCLUSION

- 30. Supporting events with sponsorship contributes to the economic, social, sporting, environmental and cultural development of Albany.
- Providing sponsorship for these events supports the City's vision and Strategic Community Plan, the Albany 2026 Strategic Plan, and is consistent with the City's Sponsorship Policy & Guideline.
- 32. There are remaining opportunities for local community groups/organisations to be involved in Albany 2026, via the City's annual Regional Event Sponsorship and Event Funding programs and via an upcoming call out/expression of interest to organisations to promote existing activities.
- 33. There is likely to be additional demand on the Regional Event Sponsorship and Event Funding programs for 2026 and this will be discussed with Council as part of the annual budgeting processes for 2025-2026 and 2026-2027.
- 34. The process for assessment of the applications for the 2026 Community Sponsorship is robust and equitable, and the funding recommendations are within the capacity of the Budget allocated for this purpose.
- 35. It is recommended that the Authorising Officer's recommendation be endorsed.

- 8. The City of Albany has been an annual sponsor of the Taste Great Southern Festival and Ahoy Management is requesting the City to continue this support.

#### DISCUSSION

- 9. Ahoy Management has provided a sponsorship proposal for Taste Great Southern which is provided as an attachment to this report.
- 10. The proposal outlines a reimagined festival designed to showcase the Great Southern's cultural heritage, premium produce, and natural beauty.
- 11. The event aims to boost visitor numbers during non-peak times, elevate the region's image, strengthen community relationships, and collaborate with local stakeholders.
- 12. There will be a focus on targeting high-value travellers to the region.
- 13. In 2025 the festival is proposed to be held from May 1 to May 5. Albany and Denmark will be the main hubs of the festival, with activities spanning across the wider region.
- 14. A launch event is planned to be held in Perth and the Great Southern region.
- 15. The program will involve curated collaborations with local businesses, including masterclasses and workshops, offer premium consumer experiences, and interactive and engaging activities in key towns.
- 16. The City has also been asked to consider some in-kind sponsorship in addition to the cash contribution. The level of in-kind support requested was not previously provided to Taste Great Southern.
- 17. The sponsorship proposal outlines a number of partnership benefits for the City of Albany's sponsorship. This includes marketing exposure and partner recognition across campaign materials and social media, and recognition as a partner at events throughout the festival.
- 18. Australia's South West and Ahoy have secured a 3-year funding partnership with Tourism WA.
- 19. Ahoy is seeking a 3-year sponsorship agreement with the City of Albany to align with the Tourism WA funding period.

#### festival that showcases the best of the Great Southern and further builds Albany's reputation as a visitor destination.

#### FINANCIAL IMPLICATIONS

- 26. Council has budget capacity to consider the cash sponsorship requested. Current budget allocations for this purpose are:
  - \$20,000 is allocated in the 2024-2025 Budget for sponsorship of the Taste Great Southern Festival; and
  - An annual contribution of \$20,000 for Taste Great Southern is also already included within the Long-Term Financial Plan for 2025-2026 and 2026-2027.
- 27. As there is already an approved budget expense for sponsorship of the Taste Great Southern festival, officers could have approved a one-year sponsorship agreement under delegation, however Ahoy's request for a three-year sponsorship agreement exceeds our delegated authority and requires a decision of Council.
- 28. In addition to the cash sponsorship, Ahoy Management has requested some in-kind support. The level of in-kind support requested has not previously been provided to Taste Great Southern.
- 29. The requested in-kind support is as follows:
  - Waiving of event application fees;

The fee for an event application is currently \$380 and a waiver of this fee can be considered under delegation on request. This has been done previously for Taste Great Southern.

• <u>Waiving of venue hire fees if owned by the City</u>

This could represent a substantial but as yet unknown additional sponsorship cost as the venues are not identified. This has not previously been provided to Taste Great Southern and is not recommended as this same support is not provided to other similar City-sponsored events. • <u>Waiving of bin hire fees for pop-up market</u>

Bin hire is currently provided by Cleanaway and represents a real cash cost to the City. Although the cost would be minimal, it is recommended that Ahoy arrange this directly with the relevant waste contractor at the time of the event.

30. Officers recommend Council consider approving a 3-year cash sponsorship agreement only with the waiver of event application fees to be considered under delegation.

#### LEGAL IMPLICATIONS

31. Nil.

#### **ENVIRONMENTAL CONSIDERATIONS**

32. Nil.

#### ALTERNATE OPTIONS

33. Council may choose to alter the amount of sponsorship recommended for approval or choose not to approve sponsorship.

#### CONCLUSION

- 34. Taste Great Southern festival is now under new ownership and delivery management with a strong focus on reinvigorating the event, rebuilding local relationships and attracting and growing visitation to the region.
- 35. The City of Albany has been a long-time sponsor of Taste Great Southern and the new festival manager is seeking the City's continued support.
- 36. The request for a three-year sponsorship agreement would align with the term of the Tourism WA sponsorship contract for the festival.
- 37. The City has budget capacity to provide the amount of cash sponsorship requested.
- 38. Officers are recommending Council support this proposal.
