## BACKGROUND

- On 22 June 2021, Council resolved to give public notice on the subject determination.

## DISCUSSION

- There was a mistake in the advertisement / Public Notice for the Proposed Vehicles on Beaches Determination which appeared in The Weekender on 1 July 2021. This notice had the Frenchman's Bay and Nanarup Beaches around the wrong way.
- The Weekender apologised for these mistakes and agreed to place the appropriate correction notices free of charge. The corrected advertisement was published in the 8 July 2021 edition.

### Public Consultation Period:

- As the planned consultation period already exceeded the statutory period of time of 21 days, the closing date for submission remained as 30 July 2021.
- To accommodate the misinformation, the Council allowed for late submissions to be accepted up to 10 working days from the closing date.
- At the close of the public comment period, there were thirty eight (38) submissions opposing including All Beaches (3), Nanarup West (36) and Betty's Beach North (3)); and two (2) submissions in support (Nanarup West) of the proposed determination. Due to the advertising error, submissions will be received up to 10 working days after the closing date of 30 July 2021. Any further submissions will be emailed to Elected Members prior to the DIS Committee meeting on 11 August.
- The submissions received were generally from the same constituents and considered the same key concerns as the original community consultation, however there were very few supporting submissions made during the subsequent public comment period.
- The key themes of concern particularly at Nanarup West were:
  - Safety
  - Anti-social behaviour
  - Environment
- In relation to Nanarup West, City of Albany Ranger team members met with concerned community members to discuss methodologies and reporting channels in relation to safety and anti-social behaviour, committing to (subject to Council resolution):
  - an improved professional presence
  - being as responsive as possible within resource constraints
  - improved education with an aim to modify driver behaviour
  - another meeting with other parties including Police and DBCA
