

AMENDMENT BY COUNCILLOR THOMSON

ITEM NUMBER: DIS219

ITEM TITLE: ADOPTION OF THE CITY OF ALBANY LOCAL HERITAGE SURVEY AND THE HERITAGE LIST

DATE & TIME RECEIVED: WEDNESDAY 8 JULY 2020 AT 4.39PM

DIS219: AMENDMENT BY COUNCILLOR THOMSON

THAT the Responsible Officer Recommendation be AMENDED to include the following:

DIRECT the Chief Executive Officer to explore the possibility to expand the Heritage Survey and Heritage List to include more sites of Aboriginal significance, and report back to Council on the matter by June 30 2021.

Councillor Reason:

Item 2 of the officer recommendation refers to adopting modifications to the Heritage List and Heritage Survey as recommended in the Schedule of Submissions. However, the officer recommendation to Council does not specifically action a recommendation made in relation to public submission number 8 that the possibility to expand the Heritage Survey and Heritage List to include more sites of Aboriginal significance be explored. Council endorsement of the proposed amended motion would ensure that the officer recommendation in relation to public submission number 8 is reflected in the Council resolution, and a reasonable timeline for reporting on the matter put in place.

Responsible Officer Comment:

Officers are supportive of this amendment and will explore the possibility of expanding the Survey and Heritage List to include more sites of Aboriginal significance.
