Term to Maturity Framework

**COMMENTS:**

We note that Westpac (AA) has a 41% share and Bendigo Bank (BBB) a 17% share of the investment portfolio. This is greater than the maximum investment limits for their respective Counterparty Credit Limits, as per the City of Albany investment policy. We also note the 3 to 6 month term to maturity threshold has been breached. This is as a result of redeeming investments which has rebalanced the share of the investment portfolio. At the time of entering into investments, the Credit Limit thresholds were adhered to.
