Policy Statement

The following policy statements apply where the *Local Government Act 1995* or the City of Albany Standing Orders Local Law is silent:

Agendas and minutes	<p>The level of decision-making and transparency needed for good governance requires comprehensive meeting agendas and minutes to be prepared. Matters to be considered at meetings of Council or committees are to be presented in an agenda prepared by the CEO.</p> <p>Agendas comprise of reports prepared by the organisation. Reports are structured to include information on the background, details, summary and funding of the proposal under consideration.</p> <p>All reports are the professional advice of the organisation and contain recommendations as to the most appropriate course of action to take based on the information presented.</p> <p>The decision to adopt, amend or reject a recommendation rests with Council, or in some cases a committee (if it has delegated authority).</p> <p>Where a Council or committee decision is different to that which has been recommended, reasons for that decision must be stated and recorded.</p> <p>Agendas are made available to Elected Members and the public before Council meetings. Where a committee is open to the public, committee agendas are also made available.</p> <p>It is the responsibility of the CEO or their designated senior officer to prepare agendas.</p> <p>Unconfirmed Council and committee minutes are to be made available to the public. The minutes of a meeting comprise all items considered at the meeting and include attendances, all motions, their movers and seconders and the decisions that have been made.</p>
----------------------------	---

<p>Apologies and leave of absence</p>	<p>An important function of an Elected Member, when being a part of the governing body of Council or a committee, is to attend and participate in the decision- making processes at meetings.</p> <p>Elected Members who are going to be absent from a meeting of Council or a committee should submit an apology. For extended periods of absence, Elected Members should apply to Council to grant leave of absence for that extended period.</p> <p>Leave of absence is not to be granted to an Elected Member in respect of more than six consecutive ordinary meetings of the Council without the approval of the Minister, unless all of the meetings are within a period of three months.</p> <p>An Elected Member who is absent, without first obtaining leave of the Council, throughout three consecutive ordinary meetings of the Council is disqualified from continuing his or her membership of the Council unless all of the meetings are within a two month period.</p>
<p>Briefing Sessions</p>	<p>Briefing Sessions are used to inform Elected Members on the items of business to be presented and discussed at future meetings. Briefing Sessions can be made open to the members of the public, and question and statement time is permitted.</p>
<p>Committee meetings</p>	<p>To assist with its decision-making responsibilities, Council is able to establish committees from time to time. The work of committees is significant in local government due to the wide range of activities and functions of Council. Committees report to Council and are subject to the requirements of the Act.</p> <p>When a Council establishes a committee, it must determine the reporting and other accountability requirements that are to apply in relation to that committee.</p> <p>Committees may comprise of:</p> <ul style="list-style-type: none"> • Elected Members only; • Elected Members and employees; • Elected Members, employees and members of the community; • Elected Members and members of the community; • Employees and members of the community; or • Members of the community only <p>The role and tasks of committees are varied however committees are generally established to:</p> <ul style="list-style-type: none"> • inquire into matters and to provide and make recommendations to Council on matters within Council's responsibilities • carry out a specific project or task on behalf of Council or exercise, perform or discharge delegated powers, functions or duties. <p>Committees meet as and when required and make recommendations to Council however where a committee has delegated authority, it is able to make a decision in its own right.</p> <p>Committee meetings can be made open to the members of the public, and question and statement time is permitted.</p> <p>Questions and statements must relate to an item on the current agenda. A member of the public may request to present a deputation to the Elected Members relating to an item on the agenda.</p> <p>Deputations are received on the same evening as the Committee meeting and at the commencement of the meeting. No decisions are made at Briefings, Concept Forums or Workshops although Elected Members may request additional information or may request alternative wording for recommendations to be prepared for possible consideration at the future Council meeting.</p>

Council meeting schedule	Council operates on a four weekly meeting cycle, (except in January when Council is in recess).
Council Meetings	<p>Council meetings are formal meetings of Council as defined under the Act and are required to be open to the public, although under certain conditions, meetings can be closed when Council considers certain items of business as prescribed by the Act. In order to promote transparency and accountability required for good governance, the closure of meetings should be applied as infrequently as possible.</p> <p>Good decision-making at a Council meeting is enhanced when the meeting is well run. This requires a clear and informative agenda, good chairing and facilitation, adherence to meeting procedures and adherence to statutory requirements. There should also be a strong commitment to</p> <p>Council meetings being open to the public so that the community are fully informed and, where appropriate, involved in the decisions and affairs of Council.</p> <p>Elected Members, the CEO and Executive Directors attend all Council meetings.</p>

<p>Strategy Sessions</p>	<p>Strategy Sessions provide a forum for two-way communication between Elected Members and the CEO on strategic or complex issues. The sessions are open to all Elected Members, the CEO and other employees designated by the CEO as required.</p> <p>Strategy Sessions also provide an opportunity for relevant staff and/or outside consultants to present information on a concept or project. Elected Members are encouraged to ask questions but not enter into debate.</p> <p>Strategy Sessions are generally not open to members of the public.</p>
<p>Voting intentions</p>	<p>Elected Members must not indicate their voting intentions prior to being presented for Council resolution.</p> <p>An Elected Member's support of a proposal or Committee Recommendation does not bind the elected member's decision.</p>
<p>Working groups, workshops and reference groups</p>	<p>Council may conduct workshops or also establish working groups or reference groups as a mechanism for facilitating and improving community participation in the City's decision-making process.</p> <p>While not formally established under legislation, working groups and reference groups provide an opportunity for the City to obtain the views of community representatives as well as enabling networking opportunities for Elected Members with a wide range of representatives on issues of common interest. The opportunity to obtain such views assists Elected Members and Council to address strategic issues and priorities.</p> <p>Working groups and reference groups make recommendations to the organisation, who in turn detail those recommendations and comments within the formal report to Council or a committee on a particular issue or topic.</p> <p>Community representatives and Elected Members are encouraged to ask questions of relevant staff or consultants through the presiding person.</p>
