**CITY OF ALBANY  
NOTES TO THE MONTHLY FINANCIAL REPORT  
FOR THE PERIOD ENDED 28 FEBRUARY 2026**

**BASIS OF PREPARATION**

**BASIS OF PREPARATION**

The City has reclassified a small number of accounts for comparative purposes. The impact of these reclassifications are considered minor and immaterial and have been made to improve the reporting alignment of the monthly financial report and the annual financial statements.

**REPORT PURPOSE**

This report is prepared to meet the requirements of *Local Government (Financial Management) Regulations 1996, Regulation 34 and 35*. Note: The statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

**BASIS OF ACCOUNTING**

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government (Financial Management) Regulations 1996* take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as land under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, racecourse or recreational facility of State or regional significance. Consequently, some assets, including land under roads acquired on or after 1 July 2008, have not been recognised in this financial report. This is not in accordance with the requirements of *AASB 1051 Land Under Roads paragraph 15* and *AASB 116 Property, Plant and Equipment paragraph 7*.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

**PREPARATION TIMING AND REVIEW**

Date prepared: All known transactions up to 28 February 2026

**SIGNIFICANT ACCOUNTING POLICES**

**CRITICAL ACCOUNTING ESTIMATES**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

**THE LOCAL GOVERNMENT REPORTING ENTITY**

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements.

**GOODS AND SERVICES TAX**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

**ROUNDING OFF FIGURES**

All figures shown in this statement are rounded to the nearest dollar.

CITY OF ALBANY  
 NOTES TO THE MONTHLY FINANCIAL REPORT  
 FOR THE PERIOD ENDED 28 FEBRUARY 2026

NOTE 1 EXPLANATION OF MATERIAL VARIANCES TO YTD BUDGET IN EXCESS OF \$100,000					
	Var. \$	Var. %	Var.	Timing/ Permanent	Explanation of Variance
<b>OPERATING ACTIVITIES</b>					
<b>Revenue from operating activities</b>					
Rates	(14,929)	0%			No material variance.
Grants, subsidies and contributions	(1,899,575)	-20%	▼	Timing	Variance is timing related, specifically the receipt of operational grant income compared to the estimated monthly phasing of the annual budget. Significant variances relate to the receipt of financial assistance grants for local roads and general purpose.
Fees and charges	682,178	4%	▲	Timing	Positive variance across a number of areas of the City, primarily ALAC fees and Recreation Services (\$1.4m actuals vs YTD budget of \$1.2m) and Airport (\$2.1m actuals vs YTD budget of \$1.9m).
Profit on asset disposal	19,114	11%			No material variance.
Interest earnings	223,474	9%	▲	Timing	The primary reason for this favourable performance is the City's higher-than-forecast funds (both municipal and reserve) available for investment, coupled with achieving relatively high yields on funds invested.
Other revenue	301,769	643%	▲	Permanent	The variance primarily relates to the City's investment in Local Government House Trust Units. Over the year, the value of the City's investment increased significantly from \$258,763.41 to \$504,328.24. This uplift is attributable to a change in accounting treatment for the underlying investment property, from historical cost less depreciation to fair value. Noting the investment is non-current in nature and the gain is non-cash.
<b>Expenditure from operating activities</b>					
Employee costs	321,369	-1%	▲	Timing	The underspend relative to the year-to-date budget (1.2% variance) is primarily a result of several budgeted positions remaining vacant / not yet filled.
Materials and contracts	879,327	-4%	▲	Timing	Various over and underspends across numerous cost centres, each requiring review with regard to timing of payments along with phasing of monthly budgets. Notable underspend variances by cost centre include Plant operating costs (\$781k actuals vs YTD budget of \$1.25m), Waste Minimisation (\$2.7m actuals vs YTD budget of \$4.02m), and Planning Services (\$88k actuals vs YTD budget of \$696k). Notable overspend includes Road Maintenance (\$2.55m actuals vs YTD budget of \$1.6m) and Waste Management (\$928k actuals vs YTD budget of \$588k).
Utility charges	72,838	-5%			No material variance.
Depreciation on non-current assets	-	0%			No material deviations were observed; however, depreciation for the year has not yet been calculated. Updated depreciation values will be recognised once asset values are entered into the City's new finance system. Current figures are an estimate, as per the budget.

CITY OF ALBANY  
 NOTES TO THE MONTHLY FINANCIAL REPORT  
 FOR THE PERIOD ENDED 28 FEBRUARY 2026

NOTE 1 EXPLANATION OF MATERIAL VARIANCES TO YTD BUDGET IN EXCESS OF \$100,000					
	Var. \$	Var. %	Var.	Timing/ Permanent	Explanation of Variance
Finance costs	(46,954)	121%			No material variance.
Insurance expenses	220,338	-18%	▲	Permanent	All anticipated annual insurance costs/premiums have been recognised.
Loss on asset disposal	325,700	-79%	▲	Timing	Variance is due to the phasing of the annual budget, timing of asset disposals, and some assets disposed of already making gains opposed to losses. While this variance is favourable to the City, it is non-cash in nature and reflects that YTD disposals have, on average, achieved higher selling prices compared to the written-down value of the disposed assets.
Other expenditure	(617,487)	24%	▼	Timing	Variance primarily attributable to timing of city events flagship projects, relative to budget. Other large variances can be attributable to recreation services, such as the Community Donations/Sponsorship and the financial support for the Albany Golf Club.
<b>Non-cash amounts excluded from operating activities</b>					
Add: Depreciation on assets	-	0%			No material variance.
Add: Loss on disposal of assets	(325,700)	-79%	▲	Timing	Variance is due to the phasing of the annual budget, timing of asset disposals, and some assets disposed of already making gains opposed to losses. While this variance is favourable to the City, it is non-cash in nature and reflects that YTD disposals have, on average, achieved higher selling prices compared to the written-down value of the disposed assets.
Add: Implicit Interest	(2,775)	-76%			No material variance.
Less: Profit on disposal of assets	(19,114)	11%			No material variance.
Less: Gain on Value of Investments	(245,565)	0%	▲	Permanent	See 'Other revenue' above, Local Government House Trust Units
Less: Gain on Sublease	(49,952)	100%			No material variance.
<b>INVESTING ACTIVITIES</b>					
Capital grants, subsidies and contributions	(691,839)	-7%	▼	Timing	Income recognition linked to the timing of completion of capital projects. There was an increase in grant revenue for the current period due to a number of projects reaching practical completion milestones. Noting the reduction in Contract Liabilities (unspent grants) held on the balance sheet.
Proceeds from disposal of assets	36,280	5%		Timing	Variable timing in disposal of assets across the year versus monthly phasing of the budget

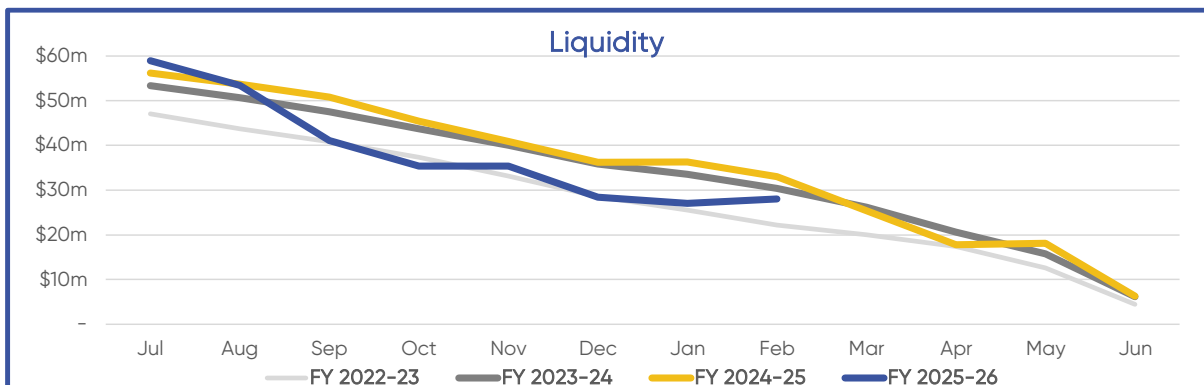

CITY OF ALBANY  
 NOTES TO THE MONTHLY FINANCIAL REPORT  
 FOR THE PERIOD ENDED 28 FEBRUARY 2026

NOTE 1 EXPLANATION OF MATERIAL VARIANCES TO YTD BUDGET IN EXCESS OF \$100,000					
	Var. \$	Var. %	Var.	Timing/ Permanent	Explanation of Variance
Purchase of property, plant and equipment	3,794,994	-45%	▲	Timing	<p>Variances are timing related and the phasing of monthly spend in the budget is to be considered when analysing variances. The underspend relative to YTD budget is attributable to the phasing of the following projects:</p> <ul style="list-style-type: none"> <li>- Heavy Plant Replacement: Actual \$1.93m vs YTD Budget \$2.93m</li> <li>- Public toilet renewal: Actual \$45k vs YTD Budget \$395k</li> <li>- Mercer Rd / Depot Offices Building Capital: Actual \$5k vs YTD Budget \$250k</li> </ul> <p>As at 28 February, 34% of the FY25/26 annual capital budget for PP&amp;E has been expended.</p>
Purchase and construction of infrastructure	10,699,663	-45%	▲	Timing	<p>Variances are timing related and the phasing of monthly spend in the budget is to be considered when analysing variances. The underspend relative to YTD budget is attributable to the phasing of the following projects:</p> <ul style="list-style-type: none"> <li>- Trails: Actual \$742k vs YTD Budget \$2.46m</li> <li>- Campbell Rd: Actual \$5k vs YTD Budget \$1.43m</li> <li>- Henry St to Chester Pass Rd path: Actual \$1k vs YTD budget \$1.14m.</li> </ul> <p>As at 28 February, 38% of the FY25/26 annual capital budget for Infrastructure has been expended.</p>
Non-current to current movement	49,345	100%			No material variance.
<b>FINANCING ACTIVITIES</b>					
Repayment of borrowings	3,672	-1%			No material variance.
Proceeds from borrowings	-	0%			No material variance.
Proceeds from self-supporting loans	(61)	0%			No material variance.
Payments for principal portion of lease liabilities	(2,042)	1%			No material variance.
Restricted Cash Utilised	-				No material variance.
Transfers to reserves (restricted assets)	-				No material variance.
Transfers from reserves (restricted assets)	-	0%			No material variance.
Surplus/(Deficit) at start of financial year	3	0%			No material variance.

		<b>(47,346,860)</b>	<b>(47,329,084)</b>	<b>(45,640,065)</b>
<b>Net Current Funding Position</b>		<b>28,060,341</b>	<b>27,015,241</b>	<b>32,996,112</b>

**COMMENTS:**

The increase in liquidity compared to the prior period is attributable to the recognition of grant income for a number of projects that have completed milestones, reducing contract liabilities.

No other significant matters noted.

*Proposal for partnership*

2026 - 2028

*A Dance Moves workshop in Kalgoorlie-Boulder. Image: mellen burns*

# EXECUTIVE SUMMARY

## *Connecting communities through dance*

*Youth Dance Collective in Port Hedland. Image: Amelia Blanco*

West Australian Ballet's (WAB) Regional Dance Engagement Program (RDEP) is a comprehensive, community-focused initiative that has successfully connected regional communities in the Pilbara and Goldfields with the State Ballet Company over the past six years. Delivered through a collaborative, co-designed model with local governments and stakeholders, the RDEP is tailored to meet local needs and foster long-term, meaningful engagement with the arts.

The program operates across four core streams: **Schools Engagement**, **Youth Dance Collectives (YDCs)**, **Project 10** (technical stage management skills), and **Community Engagement**. These streams collectively develop artistic skills, confidence, and creativity among children, young people and older adults, strengthen community connections and build local capacity through professional development for dance educators and advanced dance students.

*"The program empowers regional communities to shape their own unique connection with ballet, nurturing creativity, building skills, and celebrating local stories through meaningful, sustainable engagement."*

WAB's education incursions support curriculum delivery with a strong emphasis on social-emotional learning and wellbeing. Professional WAB Teaching Artists lead term-time workshops ranging from single-session **Dance Moves** to multi-session dance residencies, offering immersive experiences that enhance coordination, teamwork, and artistic expression for students from Years 1 to 12.

In Albany, we propose that the RDEP will deliver in local schools for the next three years (2026, 2027 and 2028), provide open **Adult Ballet Classes** for anyone to participate in, **Masterclasses** for promising young dancers, and **Storytime Adventures** for very young children at libraries and childcare centres. An Albany Youth Dance Collective will bring together local young people aged 10 and above to collaboratively create and publicly present original choreography, shared informally with the community in a public setting. Project 10 will extend these opportunities by engaging youth interested in the technical and production aspects of performing arts, promoting diverse participation and skills development.

Through these activities, RDEP fosters positive human connection and meaningful access to the arts, empowering regional communities to shape their own cultural engagement while nurturing local talent and cultural vibrancy.

The City of Albany will be prominently recognised in our season brochures, programs, digital screens, website and marketing, as well as acknowledged in RDEP publicity on site, online, and in print.

# PROGRAM OVERVIEW

## *Regional Dance Engagement Program (RDEP)*

*"Through dance, mentoring and performance, we work with communities to foster creativity, build local capacity and celebrate regional identity."*

WAB's RDEP is a multi-layered initiative that fosters meaningful, long-term connections between regional communities and their State Ballet Company. Successfully delivered in the Pilbara and Goldfields over the past five years, the Program responds directly to local needs through a co-designed model developed in partnership with local governments and community stakeholders.

The RDEP is built around four core streams of activity: **Schools Engagement**, **Youth Dance Collectives (YDCs)**, **Project 10** (a pre-professional mentoring program), and **Community Engagement**. Through these streams, the Program delivers a broad range of outcomes, including:

- Developing the **skills, confidence, and artistic experience** of children and young people through accessible, high-quality dance education.
- Strengthening **community connection** with WAB through visible, sustained engagement.
- Providing **professional development** for local dance educators, schoolteachers, and advanced students to build capacity within the region.

RDEP is designed to be inclusive, sustainable, and adaptable, ensuring each community shapes its own unique engagement with the arts, while fostering pride, participation, and cultural vibrancy at a grassroots level.

# SCHOOLS ENGAGEMENT

*Connecting students with creativity, confidence and learning.*

*Above: Dance Moves workshop in Pannawonica Image: Flying Fox Media. Below right: Dance Moves workshop in Karratha. Image: Flying Fox Media*

WAB's education incursions support delivery of curriculum objectives, with a focus on social-emotional learning and wellbeing. WAB engages specially trained, professional Teaching Artists to lead two types of in-school workshops during term-time, creating long-term partnerships with primary and secondary schools:

*“WAB’s in-school workshops use dance to strengthen wellbeing, creativity and connection — supporting curriculum outcomes and social-emotional learning.”*

- **Dance Moves** - single workshops with individual class groups. These expose students to a new artform, encourage discipline and teamwork and enhance coordination, musicality and creativity. Through creative physical learning, the workshops unlock students' physical and cognitive abilities in just one session and can be adapted for years 1 - 12.
- **Dance Residencies** - multiple session programs for class-sized groups which culminate in short performances within the school setting. Teaching Artists create a fully immersive arts learning experience for the students, exposing participants to the physicality and artistry of ballet and movement over a longer period. Residencies can be designed and adapted for years 2 - 12, working with class-sized groups.

# COMMUNITY OUTREACH

*Fostering local pride and participation through the arts.*

WAB capitalises on its presence in the community for program activities to support the development of arts and dance-related skills and knowledge, focusing on positive human connection and linking people to the arts in ways that are meaningful and beneficial to them. Across 2024 and 2025, we expanded the program to include a wider range of age-specific and inclusive offerings designed to enrich community life.

In Albany, community engagement will feature open **Adult Ballet Classes**, advanced **Masterclasses** for promising young dancers at local dance schools and **Storytime Adventures** sessions for 3-7-year-olds at local libraries and childcare centres.

*"WAB's community engagement continues to celebrate the joy of dance while strengthening community bonds across generations."*

Above - A seated dance class in Albany. Image: Jenny Feast Photography  
Left: Storytime Adventures at Broome Library. Image: Queen Tide Creative

In addition, we will offer a brand-new initiative, **Seated Dance Classes** for older adults. Trialed recently for the first time in partnership with the City of Kalgoorlie-Boulder in the Goldfields, the class was extremely well received, described as “a joyful and accessible way for older community members to engage with movement and creativity.”

*Masterclass Adult Ballet Class in Albany. Image: Jenny Feast Photography*

# YOUTH DANCE COLLECTIVES

*Creating opportunities, community and confidence through dance.*

*Above: Karratha YDC performing at Red Earth Arts Festival Image: Flying Fox Media Below right: Kalgoorlie-Boulder YDC performing at the Goldfields Arts Centre Image: mellen burns*

Youth Dance Collectives (YDC's) are specially formulated ensembles that bring young people over the age of 10 together to create their own stories through dance, develop creativity and teamwork and improve technical skills. Participants are selected from the local community through audition each year and work towards a public presentation of their own choreography.

A new YDC will be established for each year, and opportunities secured for performance, public presentation and skills-building for young people that are interested in dance, theatre and the performing arts in Albany.

*“WAB’s in-school workshops use dance to strengthen wellbeing, creativity and connection — supporting curriculum outcomes and social-emotional learning.”*

The YDC runs through weekend sessions and the engagement will end in a sharing of the YDC's work for the public, family, friends and program supporters. Each cohort will create a new work with the guidance and support of Teaching Artists which will be performed publicly in Albany. The process is designed to support young participants in shaping their creative abilities.

*Storytime Adventures in Albany Image: Jenny Fest Photography*

# PROJECT 10

*Fostering local pride and participation through the arts.*

An extension of the YDC, **Project 10** was introduced in late 2022 in response to community feedback that some young people would prefer to learn about the technical, production and stage management aspects of the performing arts instead of, or in addition to, dance. It also came about as a way to respond to the need for technicians in regional WA.

Over 10 hours of a weekend, this intensive “performance generator” increases participation from a more diverse cohort of young people to experience creative practice.

*Above: Project 10 participants in Karratha Image: Flying Fox Media  
Left: WAB Stage Manager talks to Project 10 participants in Kalgoorlie through lighting and sound. Image: mellen burns*

*“Project 10 opens the stage door to a new generation, giving young people the chance to create, perform, and bring productions to life—on stage and behind the scenes.”*

Throughout the creative process participants work with WAB Teaching Artists and Stage Manager, the latter of which works with participants to design the lighting and sound production for the final performance piece of a YDC.

The group works together to produce a dance piece which is informally shared with a community audience.

# ACKNOWLEDGEMENT AND PROMOTION

*Creating opportunities, community and confidence through dance.*

*Storytime Adventures in Broome Image: Queen Tide Creative*

The City of Albany will be recognised across WAB's digital and promotional platforms, including:

- **Website** – Logo and hyperlink on WAB's 'Applause' page (1.15M+ annual views).
- **Verbal Acknowledgement** – Recognition at all RDEP presentations, performances, and attached functions in Albany.
- **Media** – Acknowledgement in any TV, radio, or press coverage related to the RDEP or regional tours in Albany.
- **Photo Opportunities** – Arranged during RDEP activities for use by both partners.
- **Intellectual Property** – Permission to use WAB's logo, images, and approved content to leverage the partnership.
- **Social media** – Recognition on WAB's Facebook (31.4K), Instagram (18.8K), LinkedIn (3K), and YouTube (2K) channels where relevant, with content also provided for the City of Albany to share.

The City of Albany will also be acknowledged in promotional and advertising materials for main stage and core programs, including:

- **Season Brochures** – Annual distribution of approx. 10,000 copies.
- **Souvenir Programs** – Around 7,000 distributed across five main stage seasons each year.
- **Digital Screens** – Partner logos displayed on loops at the Quarry Amphitheatre, His Majesty's Theatre, and the Dolphin Theatre in-season.
- **Website** – Logo and link featured on [waballet.com.au](http://waballet.com.au).
- The City of Albany will also be recognised in all relevant marketing for RDEP activities such as:
  - **Branded t-shirts** for YDC, Project 10, and WAB Teaching Artists.
  - **Online enrolment forms**, booking pages, and any specific marketing for YDC or Project 10.

In most instances, the City of Albany's logo will be used; where not possible, text acknowledgement will be provided.

When public presentations of collaborative work occur, such as YDC and Project 10 presentations, WAB will invite representatives from the City of Albany to be part of the community audience. We are happy to explore other opportunities for members of the City of Albany to witness the delivery of other programs as part of the RDEP program.

# PROJECT BUDGET

The City of Albany is invited to support with an investment of **\$35,000 + GST** per annum for three years - **2026, 2027 and 2028** - towards the costs of delivering the full RDEP in Albany over a three-week period, with the addition of four days of Project 10 delivery.

We propose this is made up of:

**\$25,000 + GST** towards the overall project expenditure.

**\$10,000 in-kind** provision to support YDC and Project 10 activity, including but not limited to -

- Hire of Albany Town Hall for YDC rehearsal period and required technical and administrative support.
- Hire of Vancouver Arts Centre for Project 10 rehearsals and presentation and required technical and administrative support.
- Additional spaces as required for dance workshops (community centres) and rehearsals.
- Marketing and promotional support for project activity (e.g. enrolments).

This full delivery of the RDEP in Albany across nearly four weeks will require additional funding in excess of \$20,000. WAB will continue to work towards fulfilling this funding from other sponsorship sources, with the caveat if this does not come to fruition, WAB will contact the City of Albany to discuss a contraction of the delivery of RDEP within funding limits.
