## PETITION

City of Albany

Office: 102 North Road Yakamia WA 6330

Postal: PO Box 484 Albany WA 6330 | Email: [staff@albany.wa.gov.au](mailto:staff@albany.wa.gov.au)

To the Mayor and Councillors of the City of Albany, we the undersigned, do respectfully request that the Council  
(Set out a concise statement of facts and clearly define purpose)

Enclosed Off-Leash Dog Exercise Area in Albany

Benefits include: promoting acceptable behaviour from dogs socialising with other dogs, provides a safe space for the elderly and people with disability to exercise their dog safely, provides a safe space for dogs to play and be trained, increases dogs mental stimulation, alertness and well being. The enclosure would need to be fully fenced, have a bin, dog poo bags, a small shelter, parking and have available water. A location perfect already having some of these qualities is Foundation Park on Parade Street.

The City of Rockingham Council alone has created now 6 enclosed off leash dog exercise area, they have overcome any issues that have arisen and proven that they are very beneficial for dogs and the citizens that use them. We also request that when constructed there be multiple areas available for the small dogs and large dogs to be separated. Total size range recommended from other councils is 2000sqm upto 4900sqm. The City of Albany has shown that it is taking steps to look towards the future - being community orientated and modernising Albany. An enclosed off leash dog exercise area is the next step!

To the Mayor and Councillors of the City of Albany, we the undersigned, do respectfully request that the Council
