Petition to the City of Albany

Re-design and Re-route Range Road

Total 811
Signatures.

We, the undersigned Albany residents and ratepayers, request that the City of Albany current & future Mayor, current councillors, future councillors who are elected after the October 2023 Local Government Elections, CEO, executive officers and staff enact the following:-

1. Immediately advise the Dept of Planning, Lands and Heritage to halt the subdivision process for the current route of Range Road and NOT lodge the current deposited plan with Landgate.
2. Consult and negotiate with the Friends of Yakamia Forest Boodja to re-design and re-route Range Road to achieve a significant reduction in the destruction of native vegetation on Lot 4743, 102 North Road, Yakamia, and beyond.

Petition to the City of Albany

Re-design and Re-route Range Road

We, the undersigned Albany residents and ratepayers, request that the City of Albany current & future Mayor, current councillors, future councillors who are elected after the October 2023 Local Government Elections, CEO, executive officers and staff enact the following:-

1. **Immediately advise the Dept of Planning, Lands and Heritage to halt the subdivision process for the current route of Range Road and NOT lodge the current deposited plan with Landgate.**
2. **Consult and negotiate with the Friends of Yakamia Forest Boodja to re-design and re-route Range Road to achieve a significant reduction in the destruction of native vegetation on Lot 4743, 102 North Road, Yakamia, and beyond.**

Petition to the City of Albany

Re-design and Re-route Range Road

We, the undersigned Albany residents and ratepayers, request that the City of Albany current & future Mayor, current councillors, future councillors who are elected after the October 2023 Local Government Elections, CEO, executive officers and staff enact the following:-

1. Immediately advise the Dept of Planning, Lands and Heritage to halt the subdivision process for the current route of Range Road and NOT lodge the current deposited plan with Landgate.
2. Consult and negotiate with the Friends of Yakamia Forest Boodja to re-design and re-route Range Road to achieve a significant reduction in the destruction of native vegetation on Lot 4743, 102 North Road, Yakamia, and beyond.
