

VISION: The Centennial Park Sporting and Event Precinct will be a pre-eminent facility in regional Western Australia, a gathering place for the local and regional community, a venue of choice for sporting events and festival celebrations and a place to be enjoyed by people of all ages and backgrounds.

YOUTH CHALLENGE PARK - PROJECT OVERVIEW

Staged completion of the Youth Challenge Park provides improved amenity and multi-use spaces including:

1. Asphalt Pump Track
2. Jump Track
3. Dirt Jumps
4. Skate Plaza and Bowl
5. Pedestrian pathways and connections
6. Spectator viewing on 'the hill'
7. Activity and 'hang out' areas
8. Public facilities and amenities
9. Base for the Albany Mountain Bike Club
10. Carpark
11. Multi-use Court **The next important phase of the project is the proposed implementation of a Multi-use Court**

MULTI-USE COURT @ YOUTH CHALLENGE PARK

CENTENNIAL PARK, ALBANY WA

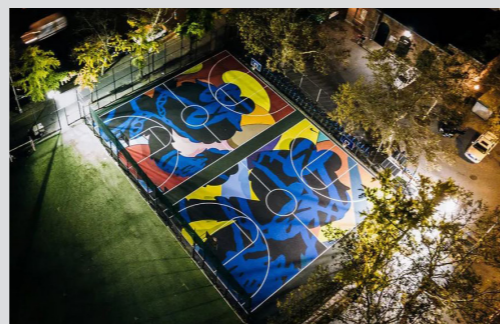

DESTINATION + MEETING PLACE

A place that is safe, welcoming where young people of Albany and the region can actively, socialise and connect. Considers the young person within the domains of family, community, school, education, employment, plus the needs of cultural, health and wellness, local environment, economic and democratic participation.

SUPPORTIVE COMMUNITY PROGRAMS

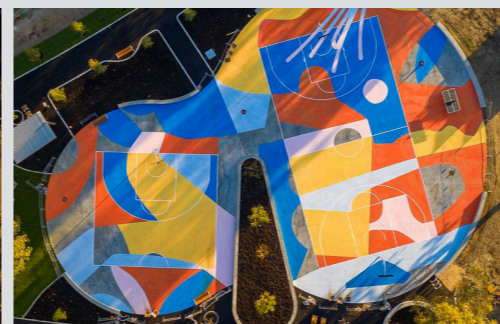

Creation of a high quality environment that will encourage and support youth focussed and youth-friendly year round seasonal programs and events that celebrate diversity, identity and self-expression and encourage connectivity.

ACTIVE EVENT SPACE

Implementation of contemporary, well designed active sport and skill spaces, encouraging participation and able to cater to people of all ages and families. The multi-use court will be the only outdoor, full size basketball court in Albany freely accessible for the community.

MULTI-FUNCTIONAL COMMUNITY FACILITY

Improved connectivity between places, spaces and people. Improved amenity to accommodate event and user demands, including shared pathways, shelter, toilets, public realm elements, lighting and shade planting.

The proposed facility will be concrete pavement with painted surface finish and include basketball rings, netting, fencing, lighting and furniture.

ARTIST COLLABORATIONS

The multi-use court surface provides a blank canvas for local artists and youth to collaborate on an integrated art project.
