

THIS IS DEAN.

TRADES AND BUILDING SUPERVISOR

HERE ARE SOME OF THE WAYS DEAN SUPPORTS YOUR CITY.

BUILDING MAINTENANCE

Dean and his team are responsible for the maintenance of more than 250 City owned buildings and leased premises spanning an area of over 4300km². Dean's team recently coordinated the refurbishment of the Women's Rest Centre on Stirling Terrace and the re-roofing of the Old Gaol.

PUBLIC TOILETS & BBQ'S

Dean and his team make sure the barbeques, picnic benches, gazebos, shade structures and information bays across Your City are safe and clean for you to use. If you notice that any of these facilities require attention, you can let Dean know by using the Report It function on our website or by calling 6820 3000.

TRADES SUPPORT

Dean coordinates various sub-contractors such as electricians, plumbers, glaziers and lock smiths to undertake works for all teams within the City of Albany. From the flag flying at the top of the Town Hall, to bike racks and bin stands, if it involves a tradie, it involves Dean and his team.

CHRISTMAS DECORATIONS

Each year, Dean installs the Christmas decorations on York Street, Stirling Terrace and the Norfolk Pine. Dean also works with our Events Team to ensure Santa's Sleigh is serviced and ready to go for the annual Christmas Festival and Pageant.
