

THIS IS BRUCE.

WORKS SUPERVISOR - MAINTENANCE & CONSTRUCTION

HERE ARE SOME OF THE WAYS BRUCE HELPS TO MAINTAIN YOUR CITY.

ROAD MAINTENANCE

Bruce and his team are responsible for more than 1,669km of roads and road shoulders. They work to carry out planned roadworks, as well as respond to requests for repair work. If you have a maintenance request, you can submit it through the Report It function on our website.

DRAINAGE

With more than 420km of urban and piped drains, Bruce and his team are kept busy ensuring our drainage system is keeps flowing.

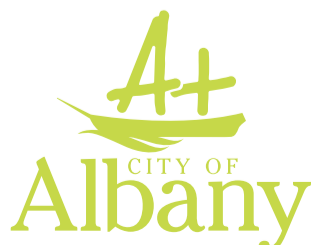

SIGNAGE

Most of the street signs you see when driving around our city are managed by Bruce and his team. They keep them maintained so residents and visitors can find their way around.

TEAM SUPPORT

Bruce and his team also provide support to other departments within the City of Albany by assisting with traffic management, temporary fencing, storm and fire clean up and much more.
